## Memorandum

To: Scott Niehaus, Village Manager

Through: Carl Goldsmith, Director of Public Works *CG*

From: Tom Ellis, Operations Superintendent *TE*

Date: June 30, 2020

Subject: FY 2020 Bituminous Mix Purchase

The Village of Lombard's in-house paving program is conducted using Village owned equipment and rented equipment. Once paving commences and the equipment has been rented, unexpected delays in getting materials can be costly in additional days of rental charges. Dupage Material Company has been the material supplier for the Village for the last 3 years. Dupage Material has multiple locations to pick up asphalt and the material has been readily available. Other companies have had difficulty supplying asphalt in the quantities our crews need to finish a job.

Three local asphalt companies have provided quotes for binder and surface asphalt. Dupage Material provided the lowest quote for both asphalt binder and surface.

<u>Vendor</u>	<u>N-50 Surface</u>
Dupage Material (K-Five)	\$53.00
Arrow Asphalt	\$54.00
Dukane Asphalt	\$53.00

Public Works is requesting a waiver of bids and award of a contract to DuPage Materials Company not to exceed \$228,000.00 to purchase Bituminous Mix during FY2020.

Please present this item to the Village Board for consideration at the July 16, 2020 meeting.
