Subject: Asphalt purchasing for the 2026 season

The Village of Lombard's in-house paving and patching program utilizes Village owned equipment and staff to patch, overlay and resurface Village roadways. Materials for this program are sourced from local asphalt plants.

For the 2026 construction season the County of DuPage bid construction materials for their Department of Transportation that included hot mix asphalt and asphalt emulsion. K-Five Construction of Westmont (IL) was awarded the bituminous paving materials section of the contract and agreed to allow joint purchasing. A copy of the full county contract (Construction Materials 26-021-DOT) is available upon request. K-Five Construction has an asphalt plant in Elmhurst that works well for Village paving operations. The Village in-house paving program has used K-Five Construction in the past and has been happy with their products and service. The purchase of asphalt will be funded from accounts 410.710.725.73310 (Rm.48) and 101.270.310.73310.

Item	UOM	Price
HMA Surface Course, MixD, N50	Ton	\$66.75
HMA Binder Course, IL-19, N50	Ton	\$61.75
SS-1 Asphalt Emulsion (5-Gal Pail)	Pail	\$60.00

Staff recommends the Board of Trustees waive the competitive bid process and approve the purchase of asphalt from K-Five Construction of Westmont (IL) DBS DuPage Materials Company LLC in Elmhurst (IL) through a joint purchase agreement in an amount not to exceed \$150,000. Please submit this item to the Village Board for their consideration at the June 18, 2026 meeting.
