From: Carl Goldsmith, Village Director of Public Works 
Through: John Beissel, Village Engineer 
Date: May 1, 2025
Subject: Final IDOT Funding Close-Out, Village 2023 RM PROG 48
IDOT Section 23-00166-00-RS

2023 RM PROG 48

The subject project had appropriated \$1,200,000.00 of Rebuild Illinois (RBI) Grant Funding approved by IDOT on March 29, 2024. The final construction cost for RM PROG 48 was \$1,321,217.05, an increase of \$121,217.05. The additional construction cost was due to several Agreed Unit Prices (AUP) for work beyond original project scope and final differential costs between estimated plan quantities and final in place measurements to meet project goals. To fund the increase in construction cost, Public Works will utilize \$121,217.05 from the Motor Fuel Tax (MFT) Funds

Attached are a "Request for Expenditure/Authorization of Motor Fuel Tax Funds", IDOT Form BLR 09150, "Supplemental Resolution for Improvement Under the Illinois Highway Code", IDOT Form BLR 09110;; and original executed Forms BLR 09110 and 09150. Staff recommends approval.

Please present this item to the Village Board at their regularly scheduled meeting on May 15, 2025. If approved, please return the three (3) executed originals to Public Works Engineering for further processing.
