Subject: Joint Purchasing of Fuel- Contract Extension

Staff is able to secure better fuel pricing by joint purchasing fuel through the DuPage County joint purchase fuel contract. Joint purchasing has proven to be a reliable way of supplying the Village with fuel at the lowest cost.

Since the cost of a load of fuel may exceed the Village's statutory purchase limit as specified in the purchasing manual (\$25,000) staff needs to establish approval from the board to continue to buy fuel using a joint purchase contract. These joint purchase contracts establish a fixed delivery fee and are renewed or re-bid annually. The specifications used in the preparation of the sealed bids are based on the OPIS (Oil Price Information Service) prices, which are the benchmark prices used by the world to buy and sell U.S. gasoline, diesel, ethanol, bio-diesel, LP-gas, jet fuel, crude, propane and kerosene.

The lowest bid price for joint fuel purchasing (DuPage County bid #23-011-FM) was Al Warren Oil Co. Inc. of Hammond, IN. The price for gasoline is the low rack average daily OPIS price plus (0.045) per gallon for delivery. The price for diesel is the low rack average daily OPIS price plus (0.045) per gallon for delivery. It is therefore the recommendation of staff that fuel be purchased from Al Warren Oil Co. Inc. in accordance with the DuPage County joint purchase contract for the length of the contract starting April 1, 2026 and ending March 31, 2027. The terms of the contract allows local municipalities to extend the contract for two additional one-year periods. This contract extension would be the third of three extensions possible under the current contract terms.

I recommend the B.O.T. waive bid and award a contract extension to Al Warren Oil Co. Inc. of Hammond, IN to supply gasoline and diesel fuel to the Village of Lombard as specified in the DuPage County joint purchase fuel contract. Please submit this item to the Village Board for their consideration at the May 7, 2026 meeting.
