Carol,

Can you please add the following items to the next group of items being declared surplus.

1. 2000 Olympian 30kw Generator and ATS panel (Highland of Lombard SS Lift Station)
Model # G30F1
Serial number F7531A1001

2. 2012 Cumming 20Kw Generator and ATS panel (Old North Ave Water PA Station)
Model # DSKBA-1213850
Serial number J120401128

These Generators were replaced over the past two years during improvement projects. Both generators are currently stored at the Charles lane lift station site. The Ats Panels are currently being stored at Central PA station.

Subject: Surplus Items

Good morning Carol,

We wanted to inform you we have some filing cabinets and rolling shelves that we would like to declare as surplus. Only one of the filing cabinets had a tag number. That tag number was: 07042. I have attached pictures below highlighting the items in red.

Items included:

- 4x Metal rolling filling shelves
- 10x filling cabinets

Carol,

The items are being recycled. There is no make on the metal filing shelves but the majority of the filing cabinets are made by HON. The other filing cabinet is made by STEELCASE.

Tina feel free to stop by my office. If there is a filing cabinet you would like just let me know or if I am not around feel free to put a sticky note on whichever one you like.

Thank you,

Joe

Hi Joe

And thank you

We just had a surplus on last VB meeting so it is going to be a while. Probably November. Also any make on the cabinets and files?? Are these going to auction or ???

Fire Prevention Tina is looking for a file cabinet. Copying Tina on this e-mail.
