MEMORANDUM

To: Scott Niehaus, Village Manager
From: Brian Jack, Utilities Superintendent
Through: Carl Goldsmith, Director of Public Works
Date: January 3, 2023
Subject: **Waiver of Bids - 2023 Contract Sewer Lateral Rodding
All Plumbing & Sewer Services, Inc.**

Background

The intent of the Sewer Stub Program is to use plumbers who respond in a timely manner and provide the Village with accurate information at a reasonable cost. The Sewer Stub Ordinance gives the resident the option of hiring a plumber (with the Village to witness the rodding) or using a plumber that the Village contracts with. The plumber is hired to not only open the clogged sewer service but to give the Village information on the type and location of the clog.

The Village has contracted with All Plumbing & Sewer Services, Inc. since 2007 (formerly Russ's All Plumbing & Sewer, Inc since 1995) when the Sewer Stub Ordinance was amended. All Plumbing & Sewer Services, Inc. of Lombard, IL has continued to respond to requests in a very professional, responsive and reliable manner on a 24-hour/365 day per year basis. Attached is a schedule of charges for All Plumbing & Sewer Services, Inc. for FY 2023 which reflects no increase in fees from 2022 and has remained the same since 2018. This provides flat fees for sewer rodding during regular working hours and a fee for after hours.

Staff has reached out to plumbing contractors in recent years to discuss the interest and response capabilities for this service. Discussions regarding fixed pricing, 24-hour/365 day emergency response, warranty of roddings, and solicitation of additional services were had with each contractor. All of the contractors besides All Plumbing & Services Inc. could not commit to the unconditional emergency response times even though they advertise themselves as 24-hour companies, and length of rodding warranties varied. The decision was again made to recommend waiving of bids for Sewer Stub Rodding Services and award the contract to All Plumbing & Sewer Services Inc.

The Village continues to have a strong working relationship with All Plumbing & Sewer Services, Inc. and they continue to provide a high level of service to the Village and its residents. Previous experiences with contracted plumbing firms have fallen well short of the high standard of All Plumbing & Sewer Services, Inc. has been providing. Other firms have not been reliable in 24 hr./365 day emergency response times, and have acted as "salesmen" with residents to drum up more business.

The FY 2023 budget for sewer rodding services is \$50,000: \$40,000 for the All Plumbing & Sewer Services Inc. Village contracts with and \$10,000 for other plumbers contracted by residents which roddings are witnessed by Village employees.

Recommendations

I am requesting that the Village Board approve a waiver of bids for All Plumbing & Sewer Services, Inc. of Lombard, IL to perform sewer rodding services in conjunction with the Sewer Stub Program for the FY 2023 for an amount not to exceed \$40,000.

Shaun Stillwell
Public Works, Utilities Superintendent
Village of Lombard
255 E Wilson Rd
Lombard, IL 60148

Dear Mr. Stillwell

Here are the prices for 2023. These prices reflect the same services that you have received in the past from All Plumbing and Sewer Service:

- SEWER RODDING BASE CHARGE \$290.00 EACH
- WEEKENDS, EVENINGS AND HOLIDAYS.....\$373.00 EACH

We are very proud to be a part of this program that benefits the citizens of our community. It is always a pleasure to work with you and your staff.

Sincerely,

Joseph Kud
