

InterOffice Memo

To: William T. Lichter, Village Manager
From: David A. Dratnol, P.E. Village Engineer
Date: November 24, 2004
Subject: North Broadway Improvements
 Project Number: ST-04-05

Thirty-five (35) potential bidders purchased plans for the referenced project. Nine (9) bids were received and opened at 11:00 A.M. on November 23, 2004. Four (4) bids were disqualified because the "Contractor Section 3 Plan Format", regarding affirmative action, was not submitted with the proposal. The DuPage Community Development Commission requires this form because a portion of this project is funded utilizing Community Development Block Grant funds.

The project limits are North Broadway from Grace Avenue to just east of Chase Avenue, including the adjacent alleys. The project includes roadway, curb and gutter, on-street parking, sidewalk and water main replacement. Other improvements include concrete alleys, street lighting and separation of the combined sewer system. A storm sewer and pump station structure will be constructed along the south right of way, adjacent to the Illinois Prairie Path. This storm sewer is part of the Gatz Pond outfall.

The results of the bid opening are listed below:
