Briefly describe the project for which are funds are being requested:

The Lombard Area Chamber of Commerce is partnering with the Lombard Park District, the village of Lombard and the Lombard Historical Society for the 2026 Jingle Bell Jubilee Candy Cane Lane Holiday Market. In 2023, each organization took a specific role in executing the event, with the Lombard Chamber taking on the Candy Cane Lane Holiday Market. The market was envisioned to be a “farmers market” with a holiday feel including gift items and not just food. In 2024, we started the event with Schiller Real Estate, and it was a huge success for the community, vendors, and the stores around the area. We would like to do this again in 2026.

- 1) Describe the organization (include brief history, mission, and ability to carry out this project):
The Lombard Area Chamber of Commerce and Industry is committed to promote positive development of our community and industries to enhance the business climate for its members and to stimulate economic growth; to encourage retail, professional service, industrial, cultural and civic growth within the Lombard community. The Lombard Chamber is committed to continue promotion

of the community and feels that events like this one attract many visitors to the community and we wish to encourage the visitors to shop and dine locally during the event.

2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large:

The Jingle Bell Jubilee Candy Cane Lane Holiday Market is the official kickoff of the Lombard holiday season in the community and is highlighted by the lighting of Lilacia Park. This brings many visitors to the community, and we feel that continuing this celebration will draw more visitors to the downtown area so shoppers can enjoy the shops and restaurants of Lombard.

3) What is the organization's plan to make the project self-sustaining? With the need for public works to close Park Street and Michael McGuire, we will need continued grant support and street signage.

1) Provide a full detailed description of the proposed project or event.

Jingle Bell Jubilee Candy Cane Lane Holiday Market is the celebration that kicks off the official Lombard holiday season for the community, and it is when the Park District lights up Lilacia Park for the holiday season. Many organizations participate in this event and offer different activities throughout the community and the downtown area. There is a downtown trolley that runs through the community, so visitors don't have to worry about driving to different locations and parking. The Candy Cane Lane Holiday Market portion of the event offers fun activities, crafters, gifts and food items in the downtown area for guests to enjoy, including a live performance of the Nutcracker provided by Schiller Real Estate.

2) If your application is accepted, how will the tourism grant funds be used?

We are requesting the funds for public works overtime and village services that involve blocking off S. Park between St. Charles and Michael McGuire Drive. By adding advertising and or signage on the street, we realize that this increases our percentage of total project cost in this application. We would like to investigate new signage on Park Street and magazine advertising.

3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

Continued increased social media marketing and more signage and print advertisement.

LOCATION

Provide the location of the event or project. If a location has not been secured, list the venue(s) being proposed or considered.

South Park Ave. Between St. Charles Road and Michael McGuire Drive. We would like to continue to request that Michael McGuire Drive be closed for this day, for the safety of the attendees.

MILESTONES AND TIMETABLES

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone.

As this is an event spearheaded by the Lombard Park District, we will be following their timeline for implementation of the event.

IMPACT

- 1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard.

This is a community event that goes beyond just the chamber's involvement. The event is advertised heavily by all participating organizations involved and since it is the lighting of the famous Lilacia Park, people come from many different areas and towns to see the lights and celebrate the official start of the holiday. In 2025 many of the downtown restaurants and bars were filled with people that shopped at our mart and attended the park lighting.

- 2) Please describe the economic benefits to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience?

With the lighting of the famous Lilacia Park being the center point, we drew attendees from many surrounding communities and towns. As the chamber of commerce focuses on what we bring, we are always planning on attracting more citizens to the shops, services and restaurants.

- 3) Who is the target audience for your event or project? What is your anticipated attendance?

All demographics attended the 2025 Candy Cane Lane. Kids, parents, grandparents, and couples. We do not have a way to count people at this point, but we filled the street from 4 to 7. Estimation of 2,000.

- 4) Please identify and detail the estimated cost of any Village of Lombard services anticipated as part of the event (e.g., Police, Public Works, Fire, barricades, etc.). For each cost, confirm whether the costs for such services be covered by the host organization and reimbursed to the Village or whether the services are requested to be covered under this grant. Any services not specifically requested below and approved as part of this grant will be the responsibility of the applicant organization.

2025 was our second year doing this, I do not know what the village services cost is currently.

- 5) Please describe any collaborative arrangements developed or anticipated with other organizations to fund or otherwise implement the project (including in-kind donations).

This is a partnership with the Park District, the village of Lombard and Lombard Historical Society. The cost of the postcard and trolley is mostly covered by sponsors and any remaining costs are split among the organizations.

- 6) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces). The event is heavily marketed through the Park District, The Lombard Chamber of Commerce, Historical Society, and the village. Marketing includes publications, postcards, social media, eblasts, and village marketing. The chamber also promotes using all the above options including our weekly e-newsletter and having posters printed to hang in business windows.

- 7) Funding for the Local Tourism Grant Program for 2026 is constrained. What have you done to reduce the amount of funds your organization is requesting under this grant? If you do not receive the full funding you requested for 2026, how will your organization adjust? What modifications can/will you make to your budget or event if full grant funding is not made available?

We would need to locate more sponsorships and raise vendor prices to cover village services.
