

**CORRECTED AND RESTATED BUSINESS DISTRICT MASTER REDEVELOPMENT
AGREEMENT BETWEEN THE VILLAGE OF LOMBARD AND YTC BUTTERFIELD
OWNER LLC FOR THE HIGHLAND AVENUE/BUTTERFIELD ROAD BUSINESS
DISTRICT NUMBER 1 IN THE VILLAGE OF LOMBARD, ILLINOIS**

This Corrected and Restated Business District Master Redevelopment Agreement ("Agreement") is made and entered into as of the ___ day of July, 2025 (the "Effective Date") by and between the VILLAGE OF LOMBARD, ILLINOIS, an Illinois non-home rule municipal corporation (the "Village"), and YTC BUTTERFIELD OWNER LLC, an Illinois limited liability company (the "Owner"). The Village and the Owner are sometimes referred to herein individually as a "Party," and collectively as the "Parties".

WITNESSETH:

IN CONSIDERATION of the following preliminary statements, the mutual covenants herein contained, and other good and valuable consideration, the sufficiency and receipt of which is acknowledged, the Parties hereto agree as follows:

I. PRELIMINARY STATEMENTS

Among the matters of mutual inducement which have resulted in this Agreement are the following:

- A. The Village is a non-home rule municipality pursuant to Section 7 of Article VII of the Constitution of the State of Illinois.
- B. The Village has the authority, pursuant to the laws of the State of Illinois, to promote the health, safety and welfare of the Village and its inhabitants, to prevent the presence of blight, to encourage private development in order to enhance the local tax base and increase additional tax revenues realized by the Village, to foster increased economic activity within the Village, to increase employment opportunities within the Village, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes, and otherwise take action in the best interests of the Village.
- C. The Village is authorized under the provisions of the Business District Development and Redevelopment Law, 65 ILCS 5/11-74.3-1, *et seq.*, as amended (the "Business District Law"), to finance redevelopment in accordance with the conditions and requirements set forth in the Business District Law, and is authorized under the provisions of the Illinois Municipal Code, including, but not limited to, 65 ILCS 5/8-1-2.5 (the "Economic Development Statute"), to appropriate and expend funds for economic development purposes that are deemed necessary or desirable for the promotion of economic development within the Village.

- D. Pursuant to Ordinance Number 5776, adopted November 17, 2005, the Corporate Authorities approved a business district plan (the "Business District Plan") and designated the boundaries of a business district relative to the Village's Highland Avenue/Butterfield Road Business District No. 1 (the "Business District" or "BD"), and, pursuant to Ordinance Number 5788, imposed a one percent (1%) business district retailers' occupation tax and a one percent (1%) business district service occupation tax (collectively the "BD Sales Taxes") within the Business District, pursuant to the Business District Law, with said Business District being legally described and depicted as set forth in Ordinance Number 5776.
- E. Pursuant to Resolution Number 29-25, on May 15, 2025, the Village approved a certain *Business District Master Redevelopment Agreement* (the "Original Agreement") incorrectly identifying "YTC Highland LLC" as the owner of the Subject Property and private party to the Original Agreement (as defined below).
- F. The Parties subsequently discovered that YTC Butterfield Owner LLC, an Illinois limited liability company, is the correct owner of the Subject Property (as defined below) and intended party to the Original Agreement; YTC Highland LLC is not a legally existing entity in the State of Illinois and does not have any ownership interest in the Subject Property (as defined below).
- G. The Parties desire to correct that error and, for clarity of the public record, replace and supersede the Original Agreement in its entirety with this *Corrected and Restated Business District Master Redevelopment Agreement* (the "Agreement") in which all references to the private party properly identify **YTC Butterfield Owner LLC**, while leaving all substantive terms, conditions, and obligations unchanged.
- H. The Owner holds fee-simple title to the real estate commonly known as 203 Yorktown Shopping Center, Lombard, Illinois, located within the Business District and legally described on **EXHIBIT A** (the "Subject Property").
- I. The Subject Property comprises a portion of the Yorktown Center regional shopping center, including peripheral outlots and the redeveloped area marketed as "The Shops on Butterfield."
- J. The Project includes costs for site preparation, infrastructure improvements, tenant improvements, public utility upgrades, and other expenses deemed eligible for reimbursement under Section 5 of the Business District Law. These costs are detailed in **EXHIBIT B** attached hereto and made a part hereof.

- K. The Project has been supported in concept by the Village's Economic and Community Development Committee at its August 12, 2024 meeting.
- L. The Owner has submitted a financial analysis and funding request to the Village, detailing the anticipated project costs, potential returns, and the financial gap that exists without public assistance. Based on its analysis and consultation with economic development consultants, the Village has determined that providing financial assistance under the Business District Law is necessary to facilitate the Project.
- M. The Project is expected to generate substantial economic benefits to the Village, including the stabilization and enhancement of the local retail sector, the creation of job opportunities, and the generation of additional sales tax revenue. These benefits align with the Village's economic development goals and justify the provision of financial assistance.
- N. The Village and Owner have agreed that reimbursement of eligible redevelopment costs shall be limited to the availability of Business District Sales Taxes collected within the Highland Avenue/Butterfield Road Business District No. 1 and shall not constitute an obligation of the Village's general fund or any other revenue source.
- O. The Owner would have been unable and unwilling to undertake the redevelopment of the Subject Property with the Project, but for incentives and other contingent assistance to be provided by the Village in accordance with the Business Development Law and the Economic Development Statute, which the Village indicated it is willing to provide, under the terms and conditions contained herein. The Parties acknowledge and agree that, but for the incentives and other financial assistance to be provided by the Village, the Owner cannot successfully redevelop the Subject Property with the Project in an economically viable manner. The Village has determined that it is desirable and in the Village's best interests to assist the Owner, relative to the Project, in the manner set forth herein, and as this Agreement may be supplemented and amended from time to time.
- P. It is necessary for the successful completion of the Project that the Village enter into this Agreement with the Owner to provide for the redevelopment of the Subject Property, thereby implementing the Business District Plan.
- Q. In order to stimulate and induce redevelopment of the Subject Property with the Project, the Village, has agreed to finance certain Business District eligible redevelopment project costs in accordance with the terms and provisions of the Business District Law and this Agreement.
- R. The Village finds that the Project: (1) is expected to maintain or create job opportunities within the Village; (2) will serve to stabilize the business

corridor in the vicinity of the Subject Property and/or further the development of adjacent areas; (3) will stabilize and/or strengthen the tax base of the Village; and (4) without the requested incentives, the capital investment in the Subject Property would otherwise not occur.

- S. This Agreement has been submitted to the Corporate Authorities for consideration and review. The Corporate Authorities have taken all actions required to be taken prior to the execution of this Agreement in order to make the same binding upon the Village according to the terms hereof, and any and all actions of the Corporate Authorities of the Village precedent to the execution of this Agreement have been undertaken and performed in the manner required by law.
- T. This Agreement has been submitted to the Owner and/or Owner's representatives for consideration and review. The Owner's manager has taken all actions required to be taken prior to the execution of this Agreement in order to make the same binding upon the Owner according to the terms hereof, and any and all actions of the Owner precedent to the execution of this Agreement have been undertaken and performed in the manner required by law.
- U. In consideration of the Village's financial assistance, the Owner has agreed to comply with "open book" and "true-up" provisions to ensure transparency and accountability in the use of public funds. These provisions allow the Village to verify actual project costs and adjust reimbursements accordingly.
- V. The Village is desirous of having the Business District rehabilitated, developed and redeveloped in accordance with the Business District Plan, and particularly the Project as a part thereof, in order to serve the needs of the Village, arrest physical decay and decline in the Business District, increase employment opportunities, stimulate commercial growth and economic development, and stabilize the tax base of the Village and, in furtherance thereof, the Village is willing to undertake certain incentives, under the terms and conditions hereinafter set forth, to assist such development.
- W. The expenditures eligible for reimbursement under the Agreement are expressly identified in the Plan and constitute 'Business-District Project Costs' as defined in 65 ILCS 5/11-74.3-5.
- X. This Agreement is necessary and incidental to, and in furtherance of, the Plan within the meaning of 65 ILCS 5/11-74.3-3(1).
- Y. The Village has the authority under the Business District Law, the Economic Development Statute and other applicable Illinois statutes to promote economic development through financial assistance. The Corporate

Authorities of the Village have reviewed and approved the general terms of this Agreement and deem it to be in the Village's best interests.

3. In the case of an Event of Default by the Owner, in addition to any other remedies at law or in equity, the Village may declare this Agreement null and void, and shall be relieved of its obligations under this Agreement.
4. In no event shall either Party be liable to the other for any consequential or punitive damages suffered as a result of a default under this Agreement.

D. **Agreement to Pay Attorneys' Fees and Expenses.** In the event an Event of Default is not cured within the applicable cure periods and the Parties employ an attorney or attorneys or incur other expenses for the collection of the payments due under this Agreement or the enforcement of performance or observance of any obligation or agreement herein contained, the non-prevailing Party shall pay the prevailing Party's reasonable fees of such attorneys and such other reasonable expenses in connection with such enforcement action. Such obligation shall only be effective upon a determination by a court of competent jurisdiction that one of the Parties constitutes a prevailing Party.

E. **No Waiver by Delay or Otherwise.** Any delay by any Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate to act as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that any Party should not be deprived of or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made with respect to any specific Event of Default be considered or treated as a waiver of the rights by the waiving Party of any future Event of Default hereunder, except to the extent specifically waived in writing. No waiver made with respect to the

performance, nor the manner or time thereof, of any obligation or any condition under this Agreement shall be considered a waiver of any rights except if expressly waived in writing.

- F. **Rights and Remedies Cumulative.** The rights and remedies of the Parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise of any one or more of such remedies shall not preclude the exercise by such Party, at that time or different times, of any other such remedies for the same Event of Default.
- G. **Legal and Other Fees and Expenses.** Other than for demands, suits, costs, expenses (including reasonable attorney's fees), actions or other proceedings covered by this Section XVII., in the event that any third party or parties institute any legal proceedings against the Owner and/or the Village, which relate to the terms of this Agreement, then, in that event, the Parties shall cooperate in the defense of any such lawsuit, with each Party assuming, fully and vigorously, its own defense of such lawsuit, and all costs and expenses of its own defense, of whatever nature (including attorney's fees).

XVIII. EQUAL EMPLOYMENT OPPORTUNITY

- A. **No Discrimination.** Owner shall comply with all federal, state and local laws relating to equal employment opportunity.
- B. **Advertisements.** Owner shall, in all solicitations or advertisements for employees placed by or on behalf of Owner, if applicable, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- C. **Contractors.** Any contracts made by Owner with any general contractor, agent, employee, independent contractor or any other Person in connection with the Project shall contain language similar to that recited in Sections XVIII.A. and B. above. The Owner shall make reasonable efforts to incorporate language similar to that recited in Sections XVIII.A. and B. in any leases made by Owner in connection with the Project.

XIX. MISCELLANEOUS PROVISIONS

- A. **Cancellation.** In the event Owner or the Village shall be prohibited, in any material respect, from performing covenants and agreements or enjoying the rights and privileges herein contained, or contained in the Business District Plan, including Owner's duty to build the Project and operate the Project, by the order of any court of competent jurisdiction, or in the event that all or any part of the Business District Law, Economic Development Statute, the Development Approvals, or any ordinance adopted by the

Village in connection with the Project, shall be declared invalid or unconstitutional, in whole or in part, by a final decision of a court of competent jurisdiction and such declaration shall materially affect the Project or the covenants and agreements or rights and privileges of Owner or the Village, then and in any such event, the Party so materially affected may, at its election, cancel or terminate this Agreement in whole (or in part with respect to that portion of the Project materially affected) by giving written notice thereof to the other Party within sixty (60) calendar days after such final decision or amendment. Further, the cancellation or termination of this Agreement shall have no effect on the authorizations granted to Owner for buildings, or the remodeling of any building, permitted and under construction, to the extent permitted by said court order; and the cancellation or termination of this Agreement shall have no effect on perpetual easements contained in any recorded, properly executed document.

- B. **Notices.** All notices, certificates, approvals, consents or other communications desired or required to be given hereunder shall be given in writing at the addresses set forth below, by any of the following means: (1) personal service, (2) electronic communications, such as by electronic mail, but only if followed up, within one (1) business day, by another method of notice, (3) overnight courier, or (4) registered or certified first class mail, postage prepaid, return receipt requested.

- C. **Time is of the Essence.** Time is of the essence of this Agreement. Notwithstanding the foregoing, if the date for performance of any of the terms, conditions and provisions of this Agreement shall fall on a Saturday, Sunday or legal holiday, then the date of such performance shall be extended to the next business day.
- D. **Integration.** Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and is a full integration of the agreement of the Parties.
- E. **Counterparts.** This Agreement may be executed in any number of counterparts, but in no event less than two (2) counterparts, each of which shall be an original and each of which shall constitute but one and the same Agreement.
- F. **Recordation of Agreement.** The Parties agree to record this Agreement with the DuPage County Recorder's Office against title to the Subject Property, at the Owner's sole cost. The rights and obligations of the Owner and the owners of the Subject Property in this Agreement are covenants running with title to the Subject Property and successor owners of the Subject Property shall be and are bound by this Agreement to the same extent as Owner and the owners of the Subject Property.
- G. **Severability.** If any provision of this Agreement, or any Section, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held to be invalid, the remainder of this Agreement shall be construed as if

such invalid part were never included herein, and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

- H. **Choice of Law / Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State, and any court proceedings between the Parties hereto shall be brought in DuPage County, Illinois.
- I. **Entire Contract and Amendments.** This Agreement (together with the exhibits attached hereto) is the entire contract between the Village and the Owner relating to the subject matter hereof, supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the Village and the Owner, and may not be modified or amended except by a written instrument executed by the Parties hereto.
- J. **Third Parties.** Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other Person other than the Village and the Owner, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third parties to the Village and the Owner, nor shall any provision give any third parties any rights of subrogation or action over or against the Village or the Owner. This Agreement is not intended to and does not create any third-party beneficiary rights whatsoever.
- K. **Waiver.** Any Party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.
- L. **Cooperation and Further Assurances.** The Village and the Owner each covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better clarifying, assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the Village or the Owner, or other appropriate Persons, all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.
- M. **No Joint Venture, Agency or Partnership Created.** Nothing in this Agreement, or any actions of the Parties to this Agreement, shall be construed by the Parties or any third party to create the relationship of a partnership, agency or joint venture between or among such Parties.

- N. **No Personal Liability of Officials of the Village or the Owner.** No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of the Corporate Authorities, Village Manager, any elected official, officer, partner, member, shareholder, manager, director, agent, employee or attorney of the Village or the Owner, in his or her individual capacity, and no elected official, officer, partner, member, director, agent, employee or attorney of the Village or the Owner shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of or in connection with or arising out of the execution, delivery and performance of this Agreement, or any failure in that connection.
- O. **Repealer.** To the extent that any ordinance, resolution, rule, order or provision of the Village's code of ordinances, or any part thereof, is in conflict with the provisions of this Agreement, the provisions of this Agreement shall be controlling, to the extent lawful.
- P. **Term.** Unless terminated earlier pursuant to the provisions hereof, this Agreement shall remain in full force and effect through the Incentive Term, except for those provisions identified as surviving termination of this Agreement.
- Q. **Estoppel Certificates.** Each of the Parties hereto agrees to provide the other, upon not less than fifteen (15) calendar days prior request, a certificate ("**Estoppel Certificate**") certifying that this Agreement is in full force and effect (unless such is not the case, in which case such Party shall specify the basis for such claim), that the requesting Party is not in default of any term, provision or condition of this Agreement beyond any applicable notice and cure provision (or specifying each such claimed default) and certifying such other matters reasonably requested by the requesting Party. If either Party fails to comply with this provision within the time limit specified, and if, after an additional seven (7) calendar days' notice there still is no compliance, then said non-complying Party shall be deemed to have appointed the other as its attorney-in-fact for execution of same on its behalf as to that specific request only.
- R. **Confidentiality.** The Village acknowledges and agrees that certain information to be provided by the Owner, owner or lessee hereunder is proprietary and valuable information and that any disclosure or unauthorized use thereof will cause irreparable harm to the Owner, and to the extent permitted by state or federal law, including, but not limited to, Section 7(1)(g) of the Illinois Freedom of Information Act (5 ILCS 140/7(1)(g)), the Village agrees to hold in confidence all sales figures and other information provided by the State of Illinois, or any owner or lessee of a portion of the Subject Property, or obtained from any such owner's or

lessee's records in connection with this Agreement, and in connection therewith, the Village shall not copy any such information except as necessary for dissemination to the Village's agents or employees as permitted hereinafter, provided the Owner, owner or lessee, as the case may be, provides the Village with a written statement that allows the Village to rely upon the Illinois Freedom of Information Act exemption set forth in 5 ILCS 140/7(1)(g). The Village shall be permitted to disclose such information to its agents or employees who are reasonably deemed by the Village to have a need to know such information for purposes of this Agreement; provided, that such agents and employees shall hold in confidence such information to the extent required of the Village hereunder, or to the extent required by order of court or by State or federal law. The confidentiality requirements of this Agreement shall survive any expiration, termination or cancellation of this Agreement and shall continue to bind the Village, its successors, assigns and legal representatives for a period of five (5) years from the termination, expiration or cancellation of this Agreement. The Village shall promptly notify Owner and any affected owner or lessee as to an Illinois Freedom of Information Act request and the commencement of any legal action in regard thereto such that Owner and/or any such owner or lessee shall have a meaningful opportunity to object to the release of any such confidential information and to take such action as such owner or lessee deems necessary in order to protect against the release of such confidential information.

S. **Sale or Assignment.** In all other instances, the owner of the Subject Property may sell or transfer the Subject Property, or any portion thereof, and assign their rights, duties and obligations hereunder, with the approval of the Village, which shall not be unreasonably withheld, conditioned or delayed, provided that:

1. the Village receives a written notice of the proposed transaction no less than thirty (30) calendar days before the proposed effective date of the sale, transfer or assignment;
2. the assignee provides the Village with written confirmation of its acceptance of, and agreement to be bound by, the Owner's and the owners' of the Subject Property duties and obligations under this Agreement;
3. the transaction does not violate the Rebate Statute, as amended, or any statute enacted to amend or replace the Rebate Statute; and
4. The Village reasonably determines, based on written evidence provided by the Owner, that the assignee has the financial capacity together with the experience needed to effectively develop, operate, and manage a large residential development;

The Owner, or its successors and assigns, as the case may be, shall provide the Village with notice of any sale or transfer of the Subject Property, or any portion thereof, or the assignment of its rights, duties and obligations hereunder; together with supporting documentation reasonably acceptable to the Village within thirty (30) calendar days thereof.

- T. **Municipal Limitations.** All Village commitments hereunder are limited to the extent required by law.
