BACKGROUND/POLICY IMPLICATIONS:

The Economic & Community Development Committee (ECDC) recommends that the Village Board approve, and authorize the signature of the Village Manager on, a Project Charter to undertake a professional service planning study effort. This study will include properties within the Villages of Lombard, Oak Brook, Downers Grove and unincorporated DuPage County and will address land use planning, economic development, transit/transportation, housing and open space components. The overall two-year project effort is anticipated to have a project budget of over \$160,000 in professional service costs, with the Village of Lombard contributing a pro rata share of the funding in an amount of \$10,680.87.

The ECDC unanimously recommended to the Village Board to authorize the signature of the Village Manager on the Project Charter. Please place this item on the June 17, 2021 Board of Trustees agenda for approval .
