SUBJECT: Community Promotion & Tourism Committee Recommendation

Lombard Chamber of Commerce - Spooktacular

The following is a recommendation from the Community Promotion & Tourism Committee for funding through the Local Tourism Grant Program for the Lombard Chamber of Commerce in an amount not to exceed \$7,500 for the 2022 Spooktacular event.

Grant Request: \$7,500

The Lombard Chamber of Commerce has requested a grant in the amount of \$7,500 to be used to cover the cost of Public Works, barricades, Police, Fire, and Waste Management expenses.

The Lombard Chamber of Commerce is looking to restart the popular Spooktacular Halloween event. The Chamber has never been involved with the event, but feels that the event will bring more awareness to the downtown Lombard area. The event will give businesses the opportunity to promote themselves through their scavenger hunt. It will be geared towards families and will feature bounce houses, petting zoos, various activities for children, and crafters.

The grant request from the Lombard Junior Women's Club and event budget are attached for your review.

RECOMMENDATION:

The Community Promotion & Tourism Committee recommends a grant in an amount up to \$7,500 to the Lombard Chamber of Commerce to be used towards the 2022 Spooktacular event.

Please place this item on the consent agenda of the October 6, 2022, agenda of the Board of Trustees. If you have any questions, please feel free to contact me. Thank you.

PROJECT OVERVIEW

Total cost of the project:	\$10,000.00
Cost of city services requested in this application (if any):	\$5000.00
Total funding requested in this application:	\$7500.00
Percent of total project cost being requested:	75%

Briefly describe the project for which are funds are being requested:

We are requesting funds to restart the popular "Spooktacualr" Halloween event. The Chamber has never been involved with the Spooktacualr so this is new to the organization, but we feel that this event will bring more awareness to Downtown Lombard. It will also give businesses opportunities to promote themselves with our scavenger hunt. The event will be geared towards families, we are looking at bounce houses, petting zoos, kids activities, and crafters. We are also hoping to have a fire truck and police car out for kids.

ORGANIZATION

Number of years that the organization has been in existence:	68
Number of years that the project or event has been in existence:	New to Chamber
Number of years the project has been supported by Village of Lombard funds:	N/A
How many years does the organization anticipate it will request grant funding?	5

1) Describe the organization (include brief history, mission, and ability to carry out this project):

The Lombard Area Chamber of Commerce is an organization dedicated to supporting businesses and the community. We advocate for our Chamber members, crate partnerships to grow local businesses, and work with local businesses to support the community. We are confident, based on our knowledge and experience, (Craft Fair, Farmers Market) we can bring a very successful event to Downtown Lombard.

2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large:

We are not sure of the 2022 budget as this is the first year the Chamber is hosting the event. We will be partnering with the newly formed DLBA and we are anticipating this being a non-dues revenue generator for the Lombard Chamber. We are using 2022 as a benchmark for future Spooktacular events.

3) What is the organization's plan to make the project self-sustaining?

In years past, the event was extremely successful in the community. We are looking to revitalize the event and re-introduce it to downtown Lombard. We will be partnering with the DLTC annually, and hope to grow revenue each year to become self-sustaining.

1) Provide a full detailed description of the proposed project or event.

The event will be completely geared towards families and kids. We are working with downtown businesses to have a scavenger hunt for families to find items within the stores to drive customers into the downtown businesses. A costume contest will direct participants to participants to a local businesses social media to gain brand awareness, we will have bounce houses, trick or treating within the businesses, and a petting zoo. We will also have a craft fair with vendor booths.

2) If your application is accepted, how will the tourism grant funds be used?

We are asking for the grant to cover the cost of public works, barricades, police and fire, porta-potties, and garbage (dumpster and toters)

3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

N/A

LOCATION

Provide the location of the event or project. If a location has not been secured, list the venue(s) being proposed or considered.

Downtown Lombard, St. Charles Road between Main and Elizabeth.

MILESTONES AND TIMETABLES

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone.

We have completed the Village application, we are moving forward with marketing and securing vendors. We have sponsors lined up, and the scavenger hunt is secured and sponsored by the Chamber. We have sponsorships that will be opening up shortly for different aspects of the event, including costume contest sponsor, bounce house sponsor, and vendor spots available.

IMPACT

1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard.

We anticipate this bringing in attendees from neighboring towns, and with the scavenger hunt and other activities planned we will be driving attendees into local businesses. We do not anticipate any hotel stays.

2) Please describe the economic benefit to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience?

We are anticipating a higher volume of people than normal entering the businesses based on the activities planned, we are also developing a marketing plan that will attract people from outside the local market (boosted social media posts, online advertising)

3) Who is the target audience for your event or project? What is your anticipated attendance?

We are targeting families with younger children. We are anticipating 1000 kids.

4) Please identify and detail the estimated cost of any Village of Lombard services anticipated as part of the event (e.g., Police, Public Works, Fire, barricades, etc.). For each cost, confirm whether the costs for such services be covered by the host organization and reimbursed to the Village or are whether the services are requested to be covered under this grant. Any services not specifically requested below and approved as part of this grant, will be the responsibility of the applicant organization.
Based on past events, we are anticipating the cost at \$5000.00
5) Please describe any collaborative arrangements developed or anticipated with other organizations to fund or otherwise implement the project (including in-kind donations).
We will be partners with the Downtown Lombard Business Alliance after it is formed, we have also contacted Citizens Police Academy to participate.
6) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces).
We will be advertising this through e-mail blasts, festival.net, social media, online advertising, and print ad.
7) Funding for the Local Tourism Grant Program for 2022 is constrained. The Committee anticipates the possibility of reduced funding over prior year grant awards. What have you done to reduce the amount of funds your organization is requesting under this grant? If you do not receive the full funding you requested for 2022, how will your organization adjust? What modifications can/will you make to your budget or event if full grant funding is not made available?
We will continue to move forward with the event, we will look at other avenues of funding (higher sponsorships, raffles)
