Subject: Surplus Items Ordinance

If you have items to be declared surplus, please submit a list of those items to me by 9:00 am Monday, August 2nd. The item will be placed on the August 19th Village Board meeting agenda. Be sure to note the make, model, quantity, serial number if applicable, and how it will be disposed (auction, scrap, donated, etc.).

FAQ:

1. Be sure to add items to surplus that are returned to the vendor (example AED's and copiers). Or, if it applies, you can note in agenda item that the old equipment is being returned to the vendor that is providing replacements. That would be sufficient for declaring the items surplus because you are notifying the Board that we will no longer have that equipment.
2. If you are donating the items to charity, please be sure to include the equipment as surplus and explain that the item cannot be sold but still has value for the charitable organization.

Regards: Taser X26P – Surplus Request

Earlier this year the police department implemented the TASER 7 conducted energy weapons into service with our Officers. This transition removed all of our previous TASER X26P models from service, with most being traded in to AXON as part of our purchase agreement of the new model. Ultimately, we retained eighteen (18) TASER X26P models, their serial numbers are as follows:

X1200AP4A	X1200689A
X1200AP4X	X120068CR
X1200692V	X120068M6
X12006926	X1200D63N
X120068D9	X1200AP4K
X1200688H	X1200AP65
X1200CK70	X1200AP5R
X1200CK6C	X12006889
X1200CK5F	X1200D5YN

These taser units are no longer of use to the police department. All non-serialized X26P-specific accessories, such as batteries, cartridges, and holsters are also no longer of use to the police department.
