Subject: Equipment Purchase, One 2024 Pierce Aerial 100' Platform Fire Truck

The FY 2023 vehicle replacement budget includes replacement of FR52, a 2007 Aerial Platform Fire Truck. The purchase pricing for this piece of equipment is accordance with the *Houston-Galveston Area Council (HGAC) Consortium Pricing*. The pricing is as follows:

Vendor	Bid Price	Salvage Value	Net Total Cost
Pierce Manufacturing Inc. Appleton, WI.	\$1,654,000.00	\$60,000	\$1,594,000.00

The Lombard Fire Department and their Fire Apparatus Committee has evaluated several fire apparatus manufacturers and has determined that Pierce Manufacturing meets all specifications for the new 100' aerial platform fire truck. Public Works received a proposal from Pierce Manufacturing for one, 2024 aerial platform fire truck at a cost of \$1,654,000.00.

The budgeted amount for this vehicle is \$1,440,000.00 and the Village anticipates \$60,000 in salvage value for the surplus ladder tower. The total available reserves for the ladder tower is \$1,500,000. Due to material shortages and supply chain issues impacted the market, the cost of the vehicle exceeds the available funding set aside for the replacement in the Fleet Services Reserve Fund. The shortfall of \$154,000 will be covered by sufficient reserves available in the Fleet Services Reserve Fund and should not impact the ability to fund other equipment or vehicles.

The lead time to produce this fire truck is being estimated at 18 months from order date and with current supply chain challenges, this is subject to change. It has been the Village's experience that trade in prices offered by fire apparatus manufacturers are lower than what a broker could get for the same vehicle. Staff recommends offering the surplus FR52 for sale on the open market. This surplus ladder tower can be sold for considerably more than trading it in and potentially reduce the total cost for this vehicle.

I recommend the award of a contract to Pierce Manufacturing of Appleton, WI. in the amount of \$1,654,000.00. I also recommend declaring Village unit number FR52 as surplus per the attached ordinance and authorizing its sale in the open market Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the July 21, 2022 meeting.
