FIRE DEPARTMENT NEWS

Structure Fire News Release

On Saturday, July 19, 2025, at approximately 5:10 a.m., the Lombard Fire Department was dispatched to the 500 block of W. Edgewood Road for a reported house fire. Engine 45 arrived first on scene and reported heavy smoke coming from the eaves of the home. Incident command was established, and it was confirmed that the homeowner had safely exited the residence.

Lombard Fire Department crews arrived on scene at 5:16 a.m. and quickly deployed multiple hose lines to begin extinguishing the fire. While firefighters worked inside the home to contain the flames, a truck crew used ladders to access the roof and cut openings to help release smoke and heat. Firefighters conducted a full search of the home and confirmed that no one else was inside. The fire was brought under control at 5:30 a.m.

ComEd performed a remote electrical shut-off, and Nicor safely secured the gas service to the residence.

There were no reported injuries to civilians or firefighters. However, the home was left uninhabitable due to extensive damage, which is estimated to exceed \$80,000. The cause of the fire remains under investigation by the Lombard Fire Investigation Unit.

Lombard firefighters received mutual aid assistance from the Elmhurst, Oak Brook, Oakbrook Terrace, and Villa Park Fire Departments, as well as the York Center Fire Protection District. The DuPage County Sheriff's Office provided traffic and crowd control during the incident.

FIRE DEPARTMENT NEWS

Narcan Program

On July 15, the Fire Department, in collaboration with the DuPage County Health Department, launched a free Narcan Distribution Program.

The program consists of a Narcan-stocked self-service cabinet located in the vestibule of Station 45.

As stock is depleted, the DuPage County Health Department will replenish the cabinet.
