# LOMBARD PARK DISTRICT UPDATE FOR THE VILLAGE OF LOMBARD

**OCTOBER 17, 2024**

## LIBRARY PROPERTY AT LILACIA PARK

- Working closely with the Library and Village to finalize the property transfer to the Park District.
- The Library is working on their remaining punch list items from the demolition and site grading.
- The Park District restored the pathway to the Coach House, installed a split rail fence along the path to the upstairs entrance to the Coach House, and installed new gates at the top and bottom of the side stairwell.
- Closing on the property is expected soon.
- The Park District is anticipating that upstairs Coach House access will be available for holiday events.

## FUTURE DEVELOPMENT OF THE PROPERTY

- Property is anticipated to remain open space while future park development options are considered.
- Development concepts/considerations are included in the Park District's current community survey.
- There will be additional community engagement opportunities before future development.
- The Park District anticipates that pathways and plantings will be included in the future development of the soon-to-be-acquired property to expand Lilacia Park's accessibility and existing beauty.
- Potential funding options: Lombard Park District funds, partnerships, and grants.
