SUBJECT: Victorian Cottage Rehabilitation 23 w. Maple St.

BACKGROUND

The 2024 Capital Improvement Plan included funding for the rehabilitation and painting of the Victorian Cottage located at 23 w. Maple St.

Included in the plan is the carpentry replacement/repairs of the siding, soffit and fascia, crown moldings, front porch, rear porch, railings and front fence, window trim/casing, and finally painting of the entire building. In addition to these repairs, the windows are also in need of replacing. This building continues to degrade and no longer remains a candidate for maintenance painting requiring in depth repairs and replacements. Once repairs and replacements have been made, the cottage will be re-painted back to its original color schemes the Lombard Historical Society desires. Staff has reached out to receive quotes from multiple contractors who will succeed in accommodating the rehabilitation in accordance to the original “style” of the Victorian Cottage. This will ensure the needs and desires of the LHS requirements to stay “period correct.”

Concerning the windows at this location. There are 23 single and double hung windows including storm windows on this building. In order to maximize the future life of these windows, staff is recommending fiber glass windows. Marvin “Belmont” single hung fiber glass windows will have a superior life span compared to wood and will complete the aesthetic desired by LHS. The storm windows will remain and will be repaired or replaced as needed if removal or repairs around the window prove to be an issue. These storm windows would be a custom-made window to order, so our efforts will be to re-attach these storm windows to the frame in its original design.

SINGLE-HUNG

One vertically sliding lower sash that tilts in for cleaning and one fixed upper glass.

RECCOMENDATION

Staff recommends that the Village President and Board of Trustees waive the competitive bidding requirements and authorize the Village Manager to execute a proposal from LA Exteriors for the rehabilitations and window replacements of the exterior portions aforementioned. The painting will be performed by a separate contractor and awarded under the Village Managers approval per the Villages procurement policy. Funding for the purchase will be through the Hotel/Motel Fund.

Carpentry and window replacements:	Total Proposal:
LA Exteriors:	\$98,682.00
Chicagoland Exteriors	\$153,842.00
B & K Home Improvement:	\$120,950.00
Total Fiscal Impact:	\$98,682.00
