SUBJECT: Intergovernmental Agreement with IDOT regarding IL Route 53 & Surrey Lane/Parkview Boulevard

Background

The Village staff has been working with the Illinois Department of Transportation and the Village of Glen Ellyn on the proposed intersection improvements to IL Rt. 53 & Parkview Boulevard/Surrey Lane. The scope of work for the project consists of improvements at IL 53 at Parkview Boulevard and Surrey Drive including traffic signal installation and restriping IL 53 to accommodate a buffer between the left turn lanes and through lanes along eastbound and westbound IL Route 53.

IDOT has prepared plans and specifications for the project and will be responsible for the construction of the project. Upon completion of the project, IDOT will invoice the Village of Lombard for the costs of the protection & controls (P&C) engineering and installation of the emergency vehicle pre-emption (EVP) system. The estimated cost of these improvements is \$28,376. The Village will be responsible for the costs for maintenance and energy for the EVP system upon completion of the signal improvement project.

The IGA is consistent with past IGAs executed by the Village and IDOT. I respectfully request that this item be placed on the Village Board's agenda for the August 15, 2024 meeting.

Recommendation

Staff recommends that the Village Board of Trustees approve an Intergovernmental Agreement between the Village of Lombard and the IDOT regarding improvements to the intersection of IL Route 53 and Surrey Lane/Parkview Boulevard.

AGREEMENT

This Agreement entered into this _____ day of _____, 2024 A.D., by and between the STATE OF ILLINOIS, acting by and through its DEPARTMENT OF TRANSPORTATION, hereinafter called the STATE, and the VILLAGE OF LOMBARD of the State of Illinois, hereinafter called the VILLAGE.

WITNESSETH:

WHEREAS, the STATE, in order to facilitate the free flow of traffic and ensure safety to the motoring public, is desirous of improving approximately 7,594 lineal feet of FAP 870 IL 53 at Parkview Boulevard/Surrey Drive, State Section 2016-048TS, STATE Job No.: C-91-310-12, State Contract Number 60T22 as follows:

The scope of work for the project consists Improvements at IL 53 at Parkview Boulevard and Surrey Drive include traffic signal installation and restriping IL 53 to accommodate a buffer between the left turns lanes and through lanes along eastbound and westbound IL 53.

Lane configuration along IL 53 includes one shared 11' through and right lane in each direction and a 10' left turn lane with a 3' buffer. 8' paved shoulders are proposed along either side of IL 53 except on the northeast and southwest quadrants where 6' and 5' paved shoulder respectively will be provided to match existing. 5' and 4' paved shoulders, and combination concrete curb and gutter are also proposed along IL 53 at locations that have been subject to erosion. Proposed Traffic Signals will be equipped with accessible pedestrian signal (APS) push buttons and emergency pre-

emption (EVP) devices. Interconnect is proposed from IL 53 and Parkview Blvd/Surrey Dr to IL 53 and Spring Ave. Also, proposed is throat widening of the North leg of IL 53 and Parkview Blvd/Surrey Dr and any other work necessary to complete the improvement in accordance with the approved plans and specifications; and

WHEREAS, the VILLAGE has requested that the STATE include in its contract emergency vehicle pre-emption equipment, and

WHEREAS, the STATE has agreed to the VILLAGE's request, and

WHEREAS, the VILLAGE is desirous of said improvement in that same will be of immediate benefit to the VILLAGE residents and permanent in nature;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

1. The STATE agrees to make the surveys, obtain all necessary rights of way, prepare plans and specifications, receive bids and award the contract, furnish engineering inspection during construction and cause the improvement to be built in accordance with the approved plans, specifications and contract.
2. The STATE agrees to pay for all right of way, construction and engineering cost subject to reimbursement by the VILLAGE, as hereinafter stipulated.
3. It is mutually agreed by and between the parties hereto that the estimated cost and cost proration for this improvement is as shown on Exhibit A attached hereto and made a part hereof.

4. The VILLAGE has passed a resolution appropriating sufficient funds to pay its share of the cost for this improvement, a copy of which is attached hereto as Exhibit B and made a part hereof.
The VILLAGE further agrees, that upon award of the contract for this improvement, the VILLAGE will pay to the STATE, in a lump sum from any funds allotted to the VILLAGE an amount equal to 80% of its obligation incurred under this AGREEMENT, and will pay to said STATE the remainder of the obligation (including any non-participating costs on FA Projects) in a lump sum, upon completion of the project, based upon final costs.
5. The VILLAGE further agrees to pass a supplemental resolution to provide necessary funds for its share of the cost of this improvement if the amount appropriated in Exhibit B proves to be insufficient to cover said cost.
6. The VILLAGE shall exercise its franchise rights to cause private utilities to be relocated, if required, at no expense to the STATE.
7. All VILLAGE owned utilities, on STATE right of way within the limits of this improvement, which are to be relocated/adjusted under the terms of this Agreement, will be relocated/adjusted in accordance with the applicable portions of the "Accommodation of Utilities of Right of Way of the Illinois State Highway System." (92 Ill. Adm. Code 530).
8. Upon final field inspection of the improvement and so long as IL 53 is used as a STATE Highway, the STATE agrees to maintain or cause to be maintained the median, the through traffic lanes, the left-turn lanes and right turn lanes and the curb and gutter or stabilized shoulders and ditches adjacent to those traffic lanes and turn lanes.
9. Upon final field inspection of the improvement, the VILLAGE agrees to maintain or cause to be maintained those portions of the improvement which are not maintained by the STATE, including

new and existing sidewalks and shared use paths, parkways, crosswalk and stopline markings, all existing and relocated VILLAGE owned utilities including appurtenances thereto.

10. The VILLAGE further agrees to continue its existing maintenance responsibilities on all side road approaches under its jurisdiction, including all left and right turn lanes on said side road approaches, up to the through edge of pavement of IL 53. Drainage facilities, if any, at the aforementioned side roads located within the STATE right-of-way shall be the joint maintenance responsibility of the STATE and the VILLAGE unless there is an agreement specifying different responsibilities.

11. It is mutually agreed that the actual traffic signal maintenance will be performed by the STATE with its own forces or through ongoing contractual agreement.

Upon acceptance by the STATE of the new traffic signal work included herein, the financial responsibility for maintenance and energy charges for the operation of the traffic signal at the intersection(s) listed below shall be proportioned as follows:

<u>Intersection</u>	<u>Maintenance</u>	<u>Energy</u>
IL 53 at Parkview Blvd/ Surrey Drive		
STATE Share	50%	50%
VILLAGE Share	25%	25%
VILLAGE of Glen Ellyn	25%	25%

And shall become a part of the current Master Agreement between the STATE and the VILLAGE.

Although the STATE's Electrical Maintenance Contractor ("STATES contractor") will inspect, make note, and keep inventory of the EMERGENCY VEHICLE PRE EMPTION ("EVP") system to support the maintenance of the EVP system, responsibility for maintenance of the EVP system shall be assumed by the VILLAGE. Maintenance of the EVP System shall include the light detector amplifier, field wiring, light detectors and cabinet appurtenances. The VILLAGE will be invoiced for all such maintenance costs directly by the STATE's Contractor. When repair is necessary, the STATE's Contractor shall

notify the VILLAGE that it's EVP system is not operating and requires maintenance. When the repair or maintenance activity has been approved by the VILLAGE, the maintenance will be provided by the STATE's Contractor. The VILLAGE shall require end users of the emitters within its jurisdiction to enter into separate agreements with the contractor to have the emergency vehicle emitters tested in accordance with the recommendation of the Manufacturer of such equipment.

It is mutually agreed, if, in the future, the STATE adopts a roadway or traffic signal improvement passing through the traffic signal included herein which requires modernization or reconstruction to said traffic signal then the VILLAGE agrees to be financially responsible for its proportionate share in accordance with STATE policy to modernize or reconstruct said installation and will be responsible for all costs to relocate or reconstruct the Emergency Preemption equipment in conjunction with the STATE's proposed improvement.

Under penalties of perjury, the VILLAGE certifies that its correct Federal Tax Identification number is **36-6005975** and it is doing business as a GOVERNMENTAL ENTITY, whose mailing address is:

Obligations of the STATE and the VILLAGE will cease immediately without penalty or further payment being required if, in any fiscal year, the Illinois General Assembly or Federal funding source fails to appropriate or otherwise make available funds for this contract.

This AGREEMENT and the covenants contained herein shall be null and void in the event the contract covering the construction work contemplated herein is not awarded within the three years subsequent to execution of the agreement.

This Agreement shall be binding upon and to the benefit of the parties hereto, their successors and assigns.
