R 69-04

RESOLUTION AUTHORIZING ACCEPTANCE OF STREETLIGHT BILLING AND AUTHORIZING SNOW PLOWING AND SALTING OF ST. REGIS DRIVE AND NORTH LAKE ROAD IN THE ST. REGIS DEVELOPMENT

WHEREAS, the Village of Lombard and the St. Regis Development Association entered into an Agreement dated January 17, 2002 in a spirit of cooperation to bring the St. Regis Drive and North Lake Road pavement, streetlights, sidewalks, landscaping and utilities up to current Village standards for eventual acceptance by the Village; and

WHEREAS, the Private Engineering Services Division of the Village of Lombard has certified the completion of all improvements for St. Regis Drive and North Lake Road with exception of pavement striping and a water valve repair;

WHEREAS, the Private Engineering Service Division has requested the project owner to delay the installation of pavement striping until Spring in order to obtain a better adherence; and

WHEREAS, the St. Regis Development Association has requested that the Village accept responsibility for streetlight billing, snow plowing and road salting and the Private Engineering Services Division recommends such acceptance to the Corporate Authorities recognizing the spirit of the Agreement and the fact that the two-year maintenance guarantee period will effectively be prolonged to the Village's advantage due to the delay in accepting the project.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF LOMBARD, DU PAGE COUNTY, ILLINOIS, AS FOLLOWS:

SECTION 1: That the Village accept streetlight billing from this date forward and provide snow plowing and road salting at no cost to the St. Regis Development Association.

SECTION 2: That the responsibilities for streetlight billing, snow plowing and road salting shall revert back to the St. Regis Development Association in the event that all improvements are not completed and the plat of easement is not recorded by December 1, 2004.

Adopted this 4th day of December, 2003.
