Please Provide a Brief Overview of Your Qualifications to Serve on the Above Selected*

I am Tsalagi/Creek and am passionate about promoting our culture. I recognize the Indigenous history of Lombard and DuPage county and the projects started to honor it. I see Lombard and how diverse it is and want to work with the town and group to continue to support and recognize all the incredible people who make up our town and build a future that reflects this for our kids and the next generations to come. I have seen how we all come together to take care of one another and support local businesses and endeavors with enthusiasm and pride.

Educational Background*

College of DuPage Library Science Medical Assisant/ER Tech MA degree Veterinary Technican/Wildlife Rehabber (I am the one bringing all the baby rabbits of Lombard to Willowbrook currently)

Community Involvement*

I volunteer for my daughters' schools, McKee House Project, DuPage County Forest Preserve, and am a member of Midwest Soaring. Lots of volunteering to help neighbors and planning projects such as a community kitchen, more community gardens, and mutual aid groups to help families and individuals in Lombard. Currently planning garden/active fundraising for the Native American Cultural and Educational Center project on St. Charles road. I wear my ribbon skirts around town and had a lilac one made for our parade my daughter marched in! I love talking to folks around town, hearing their stories, and talking about our culture. This may be unprofessional to share, but I am a certified chatterbox and love listening to others stories and sharing ours- this is how we know our neighbors and can honor their experiences and goals for their lives here.

Volunteer Experience

I volunteer as much as I can for events and share vendor/event information between groups, and with organizations listed above.

Current Occupation*

Medically retired - I have the luxury of time to to give- why I volunteer so much and help how I can!

Length of Lombard residency:*

6 years and counting!
