NOTE: All materials must be submitted to and approved by the Village Manager's Office by 4:30 pm, Wednesday, prior to the Board Agenda distribution.

To: Scott R. Niehaus, Village Manager
Through: Carl S. Goldsmith, Director of Public Works *g*
From: Robert LaMontagna, Street and Electrical Supervisor *RL*
Date: February 24, 2026
Subject: Upfit equipment for Battalion Chief Ford F-150 Responder

At the January 22nd Board of Trustees meeting the purchase of a 2026 Ford F-150 responder was approved to replace the existing Battalion Chief vehicle (FR3). This new vehicle will require upfitting to meet the operational needs of the Fire Department. Fire Department staff have developed a list of necessary equipment that will be needed. This equipment list was sent to three local vendors that supply the specified equipment for price quotes. Fleet Safety Supply provided the lowest quote for the equipment. Fleet Safety Supply has provided the Village with equipment in the past and has provided good service and support of this equipment. This equipment will be installed by Village staff in Fleet Services.

Staff recommends the Board of Trustees waive the competitive bidding process and award a contract to Fleet Safety Supply of Naperville (IL) in the amount of \$17,410.75 for equipment to upfit a 2026 Ford F-150 responder.

Please submit this item to the Village Board for their consideration at the March 5, 2026 meeting.
