SUBMITTED BY: Kevin Goethals, IT Manager

**FISCAL IMPACT:**

Amount of Award: \$42,200 per year for FY 2026, FY 2027, FY 2028; Total cost of agreement: \$126,600  
Account #: 101.120.510.73910 - \$25,200 101.270.330.75710 - \$4,500  
101.250.250.75710 - \$3,500 510.270.380.75710 - \$4,500  
101.270.310.75710 - \$4,500

**BACKGROUND/POLICY IMPLICATIONS:**

The current 3 year Enterprise License Agreement (ELA) was approved on November 17, 2022 and is currently up for renewal. This renewal includes a 10% increase from the last renewal due to the change in ESRI's Small Government EA program having consistently added new products and technology that are now included as part of the EA. In accordance with the ELA, all Village departments are covered for ESRI, the sole supplier of GIS software maintenance and updates, plus allow the Village to install ESRI GIS software on any computers or devices that employs the work of any Village department. The ESRI GIS software has served as the backbone for many critical operations within the Village and has helped improve many Village-wide systems, processes, and decision making. With an emphasis on data analytics throughout the entire Village, the ESRI software continues to be a vital tool for accomplishing that task.

**RECOMMENDATION:**

Staff recommends the Village Board of Trustees approve the attached Enterprise License Agreement with ESRI in the amount of \$126,600, for GIS Software.
