Subject: FY25 Vehicle Replacement, wheel loader

---

The FY25 Budget includes replacement of a wheel loader assigned to the sewer maintenance division. The unit being replaced is a 2014 John Deere 524K (SM453) that has suited the department's needs well and been a mechanically reliable unit. The John Deere 524P is available for purchase through the Sourcewell cooperative contract # 011723-JDC from our local dealer, West Side Tractor Sales of Naperville (IL).

The contract price for the wheel loader and a 2.5YD multipurpose bucket is \$230,262.68. This is \$12,262.68 above the estimated replacement cost. The estimate did not include the new multipurpose bucket at a cost of \$19,288. The existing bucket was damaged over the course of the past year and is in need of replacement. The repairs made are not expected to last the life cycle of the new machine. Because of this, the decision was made to include a new bucket with the new machine and get some value from the old bucket on the trade in of the 2014 wheel loader (SM453). West Side Tractor Sales provided a trade in value of \$70,000 for the 2014 wheel loader (SM543) and existing multipurpose bucket. The net price for a new 2025 John Deere 524K with multipurpose bucket after trade in of the 2014 wheel loader (SM453) is \$160,262.68. The 2014 wheel loader (SM453) will be declared surplus on a separate ordinance.

Staff recommends the Board of Trustees waive the competitive bidding process and award a contract to West Side Tractor Salse of Naperville (IL) in the amount of \$160,262.68 for the purchase of one John Deere 524K wheel loader with multipurpose bucket.

Please submit this item to the Village Board for their consideration at the February 6, 2025 meeting.
