**Subject:** items to declare as surplus for next Board meeting

Carol,

Please see the following items we are looking to list as surplus.

- We have received new tasers, as the old tasers and accessories are no longer functional and will be returned to the vendor for destruction. We are requesting to designate as surplus 70 Taser 7 devices, along with 70 taser 7 holsters, as well as Taser 7 duty, training, and inert cartridges (totaling 462 cartridges).

-Six office chairs to be destroyed as they are broken.

Respectfully,

Benny

**Subject:** Surplus Village Equipment

Good morning All

Reminder if you have surplus items, please forward a list of items to me. See below.

If you have items to be declared surplus, please submit a list of those items to me in word format by 9:00 AM Friday, April 10<sup>th</sup>. The items will be placed on the April 23<sup>rd</sup> Village Board meeting agenda. Be sure to note the quantity, make, model, serial number if applicable, description, and how it will be disposed (auction, scrap, donated, etc.).

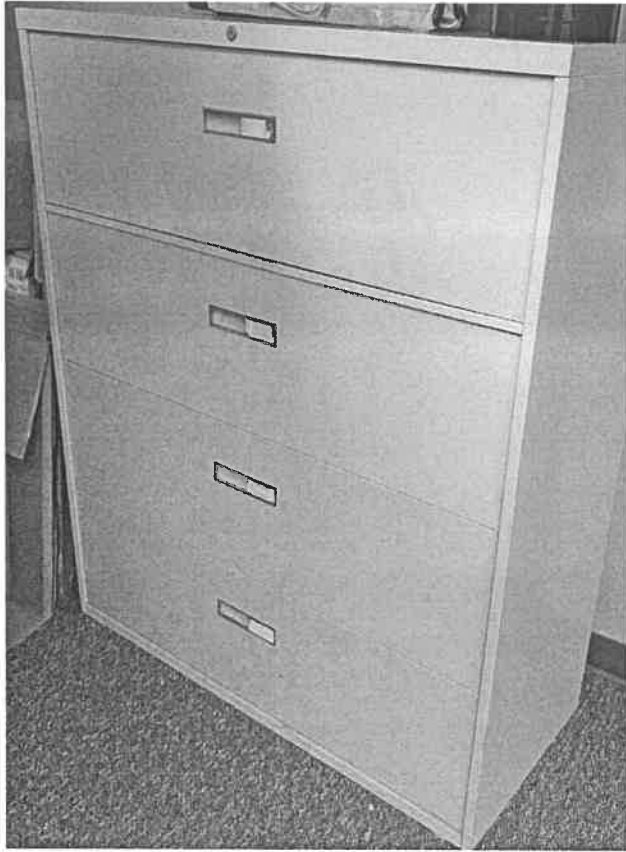

- FAQ:
1. Be sure to add items to surplus that are returned to the vendor (example AED's and copiers). Or, if it applies, you can note in agenda item that the old equipment is being returned to the vendor that is providing replacements. That would be sufficient for declaring the items surplus because you are notifying the Board that we will no longer have that equipment.
  2. If you are donating the items to charity, please be sure to include the equipment as surplus and explain that the item cannot be sold but still has value for the charitable organization.

Thank you.
