Subject: LPFC Refinancing Ordinance and Resolution

The following information provides a background on the development and financing history of the Westin Lombard Yorktown Center, as well as recent actions to right-size its debt. In 2003, a hospitality market study determined that Lombard's central DuPage County location was ideal for a large-scale hotel and conference center. That same year, the Lombard Public Facilities Corporation (LPFC), a separate non-profit entity, was formed by the Village to issue the debt and own the facility. In 2005, the LPFC sold bonds to finance construction, and the hotel opened in August 2007 adjacent to Yorktown Shopping Center. The project was intended to be a major economic anchor, attracting visitors and generating revenue for the area. While the hotel quickly became a busy and popular destination, the 2009 economic downturn sharply reduced revenues, leaving hotel operations unable to fully cover debt payments. Importantly, the Village has never owned or operated the hotel; the LPFC owns the property and manages all operations through contracted agreements. This separation was intentional to protect Village residents from liability for the hotel's debt.

In July 2017, the Village approved the Lombard Public Facilities Corporation's (LPFC) Restructuring Support Agreement for the hotel facility, and the LPFC filed for Chapter 11 in U.S. Bankruptcy Court shortly thereafter. Several parties challenged the LPFC's eligibility to file, arguing it was not separate from the Village, but the Court ruled in December 2017 that the LPFC was legally distinct and eligible for Chapter 11. The restructuring ensured the continued operation of a first-class facility, released the Village from future appropriation requests from the LPFC, reduced legal liability, and positioned the Village to improve its credit rating over time.

The hotel and conference center continue to generate significant economic benefits for Lombard, attracting over 130,000 overnight stays annually and generating tens of millions in visitor spending. The presence of the facility has supported nearby commercial development and strengthened Yorktown as a regional destination. These outcomes, combined with legal releases obtained through the restructuring, have helped stabilize the Village's financial position and preserve a valuable community asset.

Looking ahead, the LPFC plans to conduct a refinancing bond sale to optimize its debt structure. The refinancing will be structured entirely within the LPFC's obligations, with no impact on Village finances or credit. Due to the LPFC's tax-exempt status as well as Illinois statutes that allowed the LPFC to be formed, the Village is required to continue appointing the LPFC's Board, and the Village needs to approve the needed by-law amendments, provide consent to the refunding of the debt, and approve an amendment to the tax rebate agreement. Beyond these statutory obligations, no further connection exists between the Village and the LPFC.

The Village engaged the same restructuring attorneys, Saul Ewing LLP, that were used during the 2017/2018 restructuring to review the documents, to ensure that the Village has not agreed to any additional financial obligations as part of this refinancing, other than rebating the taxes generated by the property. Based upon their review, there are no concerns that the Village would be directly responsible for repayment of the bonds. In addition, the Village's financial advisor, Speer Financial, has also provided the opinion that the LPFC refinancing will not affect the Village's credit rating.

Recommendation:

Staff requests that the Village Board approve the ordinance and resolution related to the LPFC on the agenda.

Restructuring Confirmation Update

March 2018

Overview

- The Village approved The Lombard Public Facilities Corporation's (LPFC), Restructuring Support Agreement for the hotel facility on July 25, 2017
- The LPFC, which owns the hotel, filed for restructuring of debt in the U.S. Bankruptcy Court on July 28, 2017
- Several parties contested the LPFC's eligibility to file for Chapter 11 Restructuring arguing that the LPFC and the Village really were the same
- The Judge ruled in December 2017 that the LPFC **IS SEPARATE** from the Village of Lombard and is eligible to file Chapter 11 Restructuring
- It is anticipated that the Judge will confirm the LPFC's restructuring plan on March 6, 2018
- The plan is expected to have an effective date of March 15, 2018

Frequently Asked Questions

- 1. If the restructuring plan is accepted on March 6th and implemented on March 15, what is the Village's contribution to the Restructuring Support Agreement (RSA)?**

Under the plan, the Village will reimburse the LPFC \$3,000,000. This amount is a reimbursement to the LPFC for \$3,000,000 that the Village received from the LPFC's bond issue to construct the facility, which the Village used for water main and water system improvements that were installed as part of the original construction of the hotel and conference center.

- 2. Why would the Village contribute funds when the Village does not own the hotel and conference center?**

During the original construction of the facility, a new water main was installed along Ring Rd. (See map at www.villageoflombard.org/hotel.) The new water main was installed to meet the hotel's water usage for day to day operations, but it also benefited the Yorktown area as a whole and allowed for future construction, including the new Yorktown Commons/Greystar Development. While the development of the hotel and conference center was the catalyst for the installation of the new water main, this project would have been an eventual necessity in order to meet the needs of development in the area, as the original water mains were over 40 years old. Providing residents and businesses with access to clean drinking water fits within the Village's scope of "core services." The Village's contribution to the RSA reimburses the LPFC for funds provided relative to the construction of the water main that has benefited the Village since 2007.

The Village received \$3,000,000 from the LPFC, from the original bond issuance, to fund the Yorktown water main improvements, and the \$3,000,000, which will be used by the LPFC for

capital improvements at the hotel and conference center, is a return of this amount that helped fund the water main construction to benefit the Yorktown area. This is an appropriate expenditure from the water fund, and a return of "fronted money," relative to the water main improvement.

In addition, the reimbursed funds will be used for improvements to the physical building of the hotel and conference center, as opposed to being part of a financial settlement that benefits other parties. This investment will improve the hotel and conference center and encourage visitors to the Village. We want to be very clear in stating that the Village will not be covering any of the LPFC's debt with this payment. As stated above, the infrastructure improvements involved with the original construction of the hotel and conference center included a new water main, which is a core service of the Village.

3. How is the Village going to fund its contribution to the Restructuring Support Agreement?

Because the financial reimbursement from the Village is due to water system/infrastructure improvements, the money used for the reimbursement will come from the Village's water fund. This is revenue that has already been collected for projects of this nature, and is in line with the Village's goals of providing excellent core services to residents and businesses. Using LPFC bond proceeds, originally, just enabled the Village to construct the project earlier than the Village would have otherwise have been able to do so.

4. Will this have an impact on my taxes?

NO. The debt restructuring will NOT increase taxes.

5. Will the Village's contribution to the RSA increase my water rates?

NO. The contribution is coming from existing reserves.

6. Will the Village reduce services levels or eliminate employees to participate in this restructuring?

NO. Participation in the restructuring will not require the Village to eliminate any positions or reduce service levels. However, the Village consistently works to ensure that we provide core services in a cost efficient manner. Specifically, the Village Board and Finance Committee have been addressing structural budget challenges for the past two years, which have resulted in over \$1,000,000 of expense reductions during that time. These reductions are on an annual and recurring basis as opposed to one-time expenses. Furthermore, we need to be cognizant of the potential impact that the State budget impasse and ultimate resolution may have on local governments. As such, it is possible that future changes may be necessary to address budget issues for items that are not related to the LPFC Chapter 11 Restructuring.

7. Beyond the reimbursement contribution, is the Village obligated to provide any financial support?

Yes. The agreement does include an obligation for future payments to come from a TIF district

that was recently formed by the Village. The TIF District is primarily focused on the redevelopment of the Northern Baptist Theological Seminary property located just East of the hotel and conference center property. The TIF District boundaries also include the hotel and conference center and portions of the Yorktown Mall area that are underdeveloped or in need of major renovations. Based upon preliminary and conservative estimates, the TIF district could generate over \$100 Million in incremental revenue, of which \$3.7 million would be set aside to pay for TIF eligible expenses related to long term maintenance and improvements of the hotel and conference center's property. As this funding comes from TIF District and cannot be used to pay for general fund expenses of the Village, it will have no impact on service levels or property taxes within the Village.

8. How does the hotel and conference center benefit our community?

An average visitor to our area spends \$134 per day, with meeting attendees spending more than twice that amount. The facility continues to remain busy, with the hotel and conference center attracting more than 130,000 overnight stays in 2016, amounting to \$17.4 million spent in Lombard and the surrounding area.

Additionally, the conference center portion of the facility benefits other hotels in the area. Visitors attending conferences or meetings at the conference center portion of the facility also stay at other Lombard hotels.

9. Beyond tourism, how has this project benefited our community?

Since the construction of the hotel, the Village has experienced substantial investments and improvements in the immediate area, including, but not limited to, the developments listed below. For a map of these locations please visit www.villageoflombard.org/hotel.

- 2007
 - The Shops on Butterfield development was constructed
- 2011
 - Chase Bank approved, constructed
- 2011
 - McDonald's approved, constructed
- 2013
 - \$20 million in capital improvements undertaken at Yorktown Center for building enhancements, food court, common areas and signage
- 2014
 - H&M clothing opens

- AMC renovation
- 2016
 - Dunkin Donuts completed
 - 100 Yorktown Last Chance opens
 - APEX Apartments
- 2017
 - GrayStar development/Yorktown Commons began construction for Phases 1 & 2 of the site which are expected to come on-line in late 2018/early 2019

10. What has the Village accomplished by participating in this process?

The Village's main goals were considered as part of the Village's participation in the restructuring. A list and a short summary of each goal are provided below:

- **Continued Operation of a First Class Hotel and Conference Center in Lombard**
This hotel and conference center continues to be a major attraction for overnight stays in the Village. Overnight stay totals for the hotel and conference center were 130,000 in 2016, which brought in an additional \$17.4 million of daily visitor spending into Lombard and DuPage County. Additionally, the conferences and events hosted at the facility positively impact other hotels in the Village and the Yorktown area. It is important to take into account the future viability of Yorktown Shopping Center, and to keep this shopping destination competitive in a business landscape where other malls are struggling.
- **Roadmap Toward a Hopefully Improved and Stable Bond Rating**
The credit rating agency, Standard & Poor's, has downgraded the Village's credit rating due to the Village declining to pay the debt shortfalls of the LPFC. Moving forward with this Restructuring Support Agreement will allow the Village to demonstrate it was involved with the solution, and the Village hopes to improve its credit rating over time.

11. How does this restructuring benefit the Village of Lombard?

As part of the restructuring, the Village will be released from any future appropriation requests from the LPFC. In addition, the restructuring contains various legal releases for the Village, which will significantly reduce legal liability associated with this project. This will also help to increase the Village's S&P bond rating over time.

- D. The VILLAGE has long desired to encourage the development of a hotel and convention hall with associated banquet facilities, restaurants and other facilities (the "Hotel and Convention Hall") as a means of promoting tourism and other business activity within the VILLAGE.
- E. The VILLAGE has determined that the optimal financial structure for the financing of a Hotel and Convention Hall development will include, among other things, the issuance of tax exempt revenue bonds through the LPFC, coupled with the rebate by the VILLAGE of all hotel/motel taxes, all retailers' occupation taxes, all service occupation taxes and all places of eating taxes generated by the Hotel and

Convention Hall or the operation thereof, along with the provision of additional reserve funds, as security for a portion of said bonds.

- F. The LPFC has indicated its desire to issue tax exempt revenue bonds (the "Bond Financing") and develop a Hotel and Convention Hall on the SUBJECT PROPERTY (collectively the "Project"), all as described in EXHIBIT B attached hereto and made part hereof (the "Project Description").
- G. In connection with the Project, the VILLAGE and the LPFC, with the assistance of consultants and advisors, have prepared a proforma showing the sources and uses of funds and a projected cash flow summary through the year 2035 for the Project (the "Project Proforma") and a project budget estimating and itemizing costs and expenses relating to the Project (the "Project Budget"), preliminary copies of which Project Proforma and Project Budget are attached hereto as EXHIBIT C and EXHIBIT D, respectively, and made part hereof, with final copies of said Project Proforma and Project Budget to be substituted for EXHIBIT C and EXHIBIT D, respectively, upon the final pricing of the Bond Financing.
- H. The Bond Financing requires the LPFC to issue senior lien tax exempt revenue bonds and subordinate lien tax exempt revenue bonds in a sufficient amount to provide funds to construct the Hotel and Convention Hall, establish various reserves and pay the costs of issuance and otherwise complete the Project, all as generally described in the Project Description.
- I. In regard to the SUBJECT PROPERTY, the VILLAGE has determined as follows:
 - 1. The SUBJECT PROPERTY is vacant and has remained vacant for at least one (1) year;
 - 2. The Project is expected to create job opportunities within the VILLAGE;
 - 3. The Project will serve to further the development of adjacent areas;
 - 4. Without this Agreement, the Project would not be possible;
 - 5. The operator of the Hotel and Convention Hall, as selected by the LPFC to operate the Hotel and Convention Hall on behalf of the LPFC, meets/will meet the criteria set forth in 65 ILCS 5/8-11-20(6)(A) and/or (B);
 - 6. The Project will strengthen the commercial sector of, and promote additional retail sales elsewhere within, the VILLAGE;
 - 7. The Project will strengthen the tax base of the VILLAGE; and
 - 8. The rebate of hotel/motel taxes, as provided for by 65 ILCS 5/8-3-14 and Sections 98.60 through 98.63 of the Lombard Village Code, will promote overnight stays within the VILLAGE at the hotel portion of the Project and at other hotels within the VILLAGE, and will promote conventions within the VILLAGE at the convention hall portion of the Project.

- J. Article VII, Section 10 of the Illinois Constitution of 1970 authorizes municipalities to contract and otherwise associate with individuals, associations and corporations in any manner not prohibited by law or ordinance.
- K. The VILLAGE is authorized to proceed with the Project pursuant to the Illinois Compiled Statutes, 65 ILCS 5/11-65-1, et seq., in that the VILLAGE will become the owner of the Hotel and Convention Hall upon: (1) the repayment, defeasance, cancellation or redemption of all the bonds issued by the LPFC and (2) redemption or defeasance of the Series 2018 Bonds and the Series 2025 Bonds.
- L. As the VILLAGE will become the owner of the Hotel and Convention Hall upon: (1) the repayment, defeasance, cancellation or redemption of all the bonds issued by the LPFC and (2) redemption or defeasance of the Series 2018 Bonds and the Series 2025 Bonds, the VILLAGE will benefit from the tax rebates referenced in subsection I.E. above.
- M. It is anticipated that the Project will generate increased hotel/motel tax revenues, places of eating tax revenues, retail occupation tax revenues and service occupation tax revenues for the VILLAGE.
- N. It is anticipated that the Project will generate increased employment opportunities for residents of the VILLAGE.
- O. Construction of the Project would not be economically feasible for the LPFC without the VILLAGE'S economic assistance.
- P. The VILLAGE is desirous of having the SUBJECT PROPERTY rehabilitated, developed and redeveloped in order to serve the needs of the VILLAGE, including, without limitation, its economic development needs, increase employment opportunities, stimulate commercial growth and stabilize the tax base of the VILLAGE and in furtherance thereof, the VILLAGE is willing to undertake certain incentives, under the terms and conditions hereinafter set forth, to assist the LPFC.
- Q. The VILLAGE is authorized, under Section 8-1-2.5 of the Illinois Municipal Code (65 ILCS 5/8-1-2.5), to appropriate and expend funds for economic development purposes, including, without limitation, the making of grants to any commercial enterprise that are deemed necessary or desirable for the promotion of economic development within the VILLAGE.
- R. The President and Board of Trustees of the VILLAGE have determined that it is in the best interests of the VILLAGE to enter into this Agreement and pursue the development of the Project.
- S. Pursuant to that certain indenture of Trust between the LPFC and Amalgamated Bank of Chicago, as Trustee, dated as of August 1, 2005, the LPFC issued Lombard Public Facilities Corporation Conference Center and Hotel Revenue Bonds (collectively, the "Series 2005 Bonds").

T. In anticipation of the issuance of the Series 2005 Bonds, the VILLAGE and the LPFC entered into this Agreement in 2005.

U. Pursuant to that certain Restructuring Support Agreement, dated as of July 25, 2017 (the "RSA"), the LPFC, the VILLAGE, various beneficial owners of the Series 2005 Bonds and an insurer of certain Series 2005 Bonds agreed to the terms of a restructuring of the Series 2005 Bonds and a related amendment to this Agreement.

V. On March 6, 2018, the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division, issued an order confirming that certain Plan of Reorganization of Lombard Public Facilities Corporation Under Chapter 11 of the Bankruptcy Code (the "Plan"), which provided for a restructuring of the Series 2005 Bonds and a related amendment to this Agreement.

X. Pursuant to that certain Amended and Restated Loan Agreement (the "Amended and Restated Loan Agreement"), dated on or about the date of the Second Amendment to this Agreement, by and between the LPFC and the Authority, and that certain Amended and Restated Indenture of Trust (the "Amended and Restated Indenture"), dated on or about the date of the Second Amendment to this Agreement by and between the Authority and the 2018 Indenture Trustee, new bonds (the "Series 2025 Bonds") shall be issued by the Authority to refund a portion of the Series 2018 Bonds.

W.

X. Pursuant to the Amended and Restated Loan Agreement and the New Amended and Restated Indenture, all of the LPFC's right, title and interest in and to this Agreement, as amended by the First Second Amendment to this Agreement, shall be assigned and pledged to the Authority and to the New Indenture 2018 Trustee; however, said assignment shall in no way relieve the LPFC or the VILLAGE of their respective obligations under this Agreement, as amended by the First Second Amendment to this Agreement, including, but not limited to, the obligation of LPFC to convey title to the SUBJECT PROPERTY to the VILLAGE, upon redemption or defeasance of the Series 2018 Bonds and the Series 2025 Bonds, as referenced in Section IV.E. below.

The provisions of this subsection relating to such approval, rejection and resubmittal of the construction plans shall continue to apply to resubmittal of corrected construction plans until the construction plans have been approved by the VILLAGE and a building permit for the work covered by said construction plans is issued. Said approval shall not be unreasonably withheld or delayed by the VILLAGE. IV. UNDERTAKINGS ON THE PART OF THE LPFC

Upon complete satisfaction of all conditions itemized in Section II above, the LPFC shall undertake the following:

- E. In accordance with the agreements applicable to the Project and 65ILCS 5/11-65-1 et seq., upon the redemption or defeasance of the Series 2018 Bonds and the Series 2025 Bonds issued pursuant to the Plan and the New Indenture, in their entirety, the LPFC shall convey title to the Project and the SUBJECT PROPERTY to the VILLAGE, free and clear of any and all liens and encumbrances, for no additional consideration.

V. REFUND OF TAXES/ADDITIONAL RESERVES

- A. The VILLAGE hereby pledges and shall semi-annually refund to the LPFC, or pay as directed by the LPFC, within ninety (90) days after the end of each SEMIANNUAL PERIOD (as said term is defined in subsection B below), an amount equal to the amount the VILLAGE has received from the collection of the TAX REVENUE (as said term is defined in subsection C below) generated by the Hotel and Convention Hall during said SEMI-ANNUAL PERIOD, which shall be pledged to the New Indenture Trustee in the manner set forth in the Plan, Loan Agreement and New Indenture and shall be used solely for the purposes as set forth in the Plan, the Loan Agreement and the New Indenture.

- B. The aforementioned refund of TAX REVENUE to the LPFC shall take place beginning in 2006 and ending at such time as the Series 2025 Bonds, and the Series 2018 Bonds (including the Second Tier 2018B Bonds, Second Tier 2018B Capital Appreciation Bonds, First Tier Series 2018A-1 Bonds, First Tier Series 2018A-2 Bonds, First Tier Series 2018A-1 Capital Appreciation Bonds and First Tier Series 2018A-2 Capital Appreciation Bonds) are defeased or redeemed in their entirety. For purposes of this Agreement, the semi-annual refund periods shall be from January 1st through June 30th and from July 1st through December 31st (each semi-annual refund period being hereinafter referred to as a "SEMI-ANNUAL PERIOD"). The LPFC and the VILLAGE agree to cooperate with each other in ascertaining the amount of TAX REVENUE generated by the Hotel and Convention Hall and received by the VILLAGE during each SEMI-ANNUAL PERIOD, with the LPFC to release such information in its possession and control, and use reasonable efforts to cause the hotel manager and restaurant manager(s) to release information and execute such documents as necessary to allow the VILLAGE to comply with its tax rebate obligations as set forth in Section V.A. above.
- C. For purposes of this Agreement, "TAX REVENUE" shall be construed to refer to that net portion of taxes imposed by the State of Illinois for distribution to the VILLAGE pursuant to the Retailers' Occupation Tax Act, 35 ILCS 120/1, et seq. and the Service Occupation Tax Act, 35 ILCS 115/1, et seq. (and any amendments thereto), which are collected by the State of Illinois and distributed to the VILLAGE, along with hotel/motel taxes collected by the VILLAGE pursuant to Sections 98.60 through 98.63 of the Lombard Village Code (as authorized by 65 ILCS 5/8-3-14) and places of eating taxes collected by the VILLAGE pursuant to Section 98.111 of the Lombard Village Code (as authorized by 65 ILCS 5/11-42-5), plus all future revenues derived during the period of this Agreement from taxes enacted by law or ordinance by any governmental authority which are intended to replace any one or more of the aforementioned taxes generated by the Project.
- D. For the avoidance of doubt, TAX REVENUE subject to this Agreement includes (but is not limited to) the Additional Places for Eating Tax. "Additional Places for Eating Tax" refers solely to the tax revenues generated by the Project that derive from the incremental one percent (1%) increase in the rate of the places for eating tax that went into effect on January 1, 2017. Such Additional Places for Eating Tax shall be disbursed by LPFC and the New Indenture Trustee in the manner described on EXHIBIT E attached hereto, and made part hereof, as provided in further detail in the Loan Agreement and New Indenture.
- E. The VILLAGE shall provide the LPFC and the New Indenture Trustee with a certification as to the amount of the Additional Places for Eating Tax remitted to the LPFC for each SEMI-ANNUAL PERIOD beginning on July 1, 2017 and ending on July 1, 2021, which amounts shall be remitted to the LPFC, or as directed by the LPFC, within ninety (90) days of the end of each such SEMI-ANNUAL PERIOD and which certification shall be provided to the LPFC and the New Indenture Trustee within ninety (90) days of the end of each such SEMI-ANNUAL PERIOD.

- E. F. The VILLAGE hereby represents that, to the best of its knowledge, as of the Effective Date of the Plan, the VILLAGE was in compliance with its obligations under Sections III., V.A., V.B., V.C., VI and VIII. of this Agreement.

EXHIBIT E

(Purposes for the Refund of the Additional Places for Eating Tax to the LPFC)

The VILLAGE has approved a one percent (1%) increase in the rate of the places for eating tax that went into effect on January 1, 2017 (the revenues of such additional one percent (1%) of such tax, solely as it is generated by the Project, the "Additional Places for Eating Tax"). For the avoidance of doubt, the Additional Places for Eating Tax consists solely of the incremental revenues resulting from the one (1%) increase to the places for eating tax which went into effect on January 1, 2017. The Additional Places for Eating Tax shall be applied by LPFC and the New Indenture Trustee as follows, in each case as more fully set forth in the Loan Agreement and New Indenture:

1. The Additional Places for Eating Tax on deposit in the Second Tier Debt Service Fund as of the Effective Date of the Plan (to the extent remitted to the LPFC since the January 1 or July 1 immediately preceding the Effective Date of the Plan) and remitted to the LPFC from the Effective Date of the Plan and to and including July 1, 2021, shall be deposited into the Hotel Capital Expenditure Reserve Fund and used to fund capital expenditures in accordance with the Initial CapEx Plan (as defined in the Plan); provided that if, at any time after the Effective Date of the Plan, the First Tier Series 2018A-1 Bonds and First Tier Series 2018A-2 Bonds are accelerated, then, as of the date of such acceleration and thereafter, all Additional Places for Eating Tax (even if remitted to LPFC on or prior to July 1, 2021) shall be used to pay debt service as described in subsection 2 of this EXHIBIT E.
2. All other Additional Places for Eating Tax: (1) shall be pledged for the sole and exclusive benefit of the Second Tier 2018B Bonds and Second Tier 2018B Capital Appreciation Bonds while such bonds remain outstanding, in the same manner as the TAX REVENUE was pledged to the Series B Bonds under the Bond Financing, provided that such TAX REVENUE shall be pledged to the ~~First Tier Series 2018A-1 Bonds~~ Series 2025 Bonds; ~~First Tier Series 2018A-2 Bonds~~, First Tier Series 2018A-1 Capital Appreciation Bonds and First Tier Series 2018A-2 Capital Appreciation Bonds following the retirement of the Second Tier 2018B Bonds and Second Tier 2018B Capital Appreciation Bonds; (2) shall be transferred to the New Indenture Trustee or its successor; and (3) shall be used to pay debt service (i) first, on the Second Tier 2018B Bonds, so long as any such bonds are outstanding, (ii) second, on the Second Tier 2018B Capital Appreciation Bonds, so long as any such bonds are outstanding, (iii) third, on the ~~First Tier Series 2018A-1 Bonds and First Tier Series 2018A-2 Bonds~~ Series 2025 Bonds, so long as any such bonds are outstanding, and (iv) fourth, on the First Tier Series 2018A-1 Capital Appreciation Bonds and First Tier Series 2018A-2 Capital Appreciation Bonds, so long as any such bonds are outstanding.
