- 1) Describe the organization (include brief history, mission, and ability to carry out this project): The Lombard Chamber of Commerce is committed to promote positive development of our community and industries to enhance the business climate for its members and to stimulate economic growth to encourage retail, professional service, industrial, cultural and civic growth within the Lombard area. Over the past 30 years (excluding COVID) this event has continued to grow in both size and popularity. Feedback from vendors continues to be very positive with many saying it's the best run event that they are involved with. Each year the event brings thousands of people into the downtown area and Lilacia Park. Our excellent committee of dedicated volunteers are credited with helping this event run smoothly each year.

- 2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large: This event is one of the largest chamber fundraisers. The proceeds benefit several area nonprofit organizations and business, as well as give the chamber the ability to offer more programs for its members to enhance and grow their business. The community at large benefits from having a number of crafters and various vendors come into the downtown area as well as an outdoor event to enjoy. The downtown businesses have an opportunity to draw customers and awareness from the event.
- 3) What is the organization's plan to make the project self-sustaining? Being a nonprofit organization, the event will always need the cooperation and services of the village of Lombard. This event continues to grow and develop and could not be self-sustaining. The chamber does not have the budget to put in the extensive time and effort to staff, without grant assistance from the village. Planning for this event begins in October, and many staff and volunteer hours are put in from that time through the day of the event.

PROJECT DESCRIPTION

- Is the event open to the general public? Yes No
- Do you intend to apply for a liquor license for this project? Yes No
- Will any revenues from this event be returned to the community? Yes No
- Have you requested grant funding in the past? Yes No
- If yes, provide grant awards for past 5 years: Previous Lilac Times Arts & Craft Fairs

- 1) Provide a full detailed description of the proposed project or event. The streets are barricaded by 5am with chalking of the vendor locations on the street shortly after. Over 125 crafters, food vendors, nonprofits, community organizations and sponsors, each with their own weighted tents, tables and chairs are set up inside the chalked spaces on St. Charles and Park Street. Staggered set-up times begin at 6:30. LCPAA assists with arrival, tear down, and traffic control of the vendors. The event opens at 10a.m. and ends at 4 p.m. Inflatables arrive around 8 a.m. Electrical spider boxes are provided by public works and are primarily located around the intersection of Park and St. Charles. Police personnel on hand during the day patrol the event, and the fire department is on call for any emergencies that may happen.
- 2) If your application is accepted, how will the tourism grant funds be used? To cover the costs of barricades, public works, police, fire and public works overtime.
- 3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)? Each year offers continuing education when it comes to making improvements to the event. Costs continue to increase, so we are always looking for strategic marketing opportunities. Social media will be increased again, as well as continuing our mentions in our newsletter.

LOCATION

Provide the location of the event or project. If a location has not been secured, list the venue(s) being proposed or considered. St. Charles Road from Main and Elizabeth Streets and Park to Michael McGwire.

MILESTONES AND TIMETABLES

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone. We are planning on opening registration by January 30th and closing the registration at the end of April.

IMPACT

- 1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard. If a returning event, detail the number of overnight stays generated and share details regarding the tourism impact of the event. The chamber cross promotes the craft fair with the park district and the historical society to draw visitors to the downtown area, Lilacia Park and Lilac Times event. Having over 125 crafters will draw several thousand visitors downtown, which will increase revenue for restaurants and retail stores.
- 2) Please describe the economic benefits to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience? Local businesses are highly recommended to be opened that day and will have an opportunity to attract attendees into their stores and restaurants. We plan to share event information by email and Constant Contact with other chambers, communities and the Lilac Times Crafts & Fair Face book page, as well as our own dedicated Facebook page.
- 3) Who is the target audience for your event or project? What is your anticipated attendance? This event covers all ages and demographics. We project an annual attendance of over 4,000 people.
- 4) Please identify and detail the estimated cost of any Village of Lombard services anticipated as part of the event (e.g., Police, Public Works, Fire, barricades, etc.). For each cost, confirm whether the costs for such services be covered by the host organization and reimbursed to the Village or whether the services are requested to be covered under this grant. Any services not specifically requested below and approved as part of this grant will be the responsibility of the applicant organization. Requesting grant funds to cover the cost of village services, police, fire, public works and Waste Management and inflatable entertainment. We have no restrictions on capacity at this point and are anticipating another successful year in 2026.
- 5) Please describe any collaborative arrangements developed or anticipated with other organizations to fund or otherwise implement the project (including in-kind donations).LCPAAA will continue to help with traffic control. Lombard Park District will provide the party wagon for tables and chairs as well as the mobile stage. Waste Management will provide all trash and port a pots management.
- 6) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces). The chamber does social media advertising with Facebook, Instagram and twitter. We will boost all platforms. We have a dedicated Facebook page that we will post to our weekly newsletter and website. An ad in the Lombardian will also be added. Flyers will be printed and distributed to local businesses.
- 7) Funding for the Local Tourism Grant Program for 2026 is constrained. What have you done to reduce the amount of funds your organization is requesting under this grant? If you do not receive the full funding you requested for 2026, how will your organization adjust? What modifications can/will you make to your budget or event if full grant funding is not made available? If we do not receive the full funding request for 2026, the chamber will have to adjust our vendor fees and sponsorship levels to pay the village and waste management costs.
