**DOWNTOWN IMPROVEMENT AND RENOVATION GRANT PROGRAM
AGREEMENT**

This Agreement is entered into this twenty first day of September, 2023, by and between the Village of Lombard, Illinois, (hereinafter referred to as the "Village"), and property owner Five Leaf Clover Realty LLC, signed by agent Brendan Fitzharris (hereinafter referred to as "Applicant") for the property at 16 S. Park Avenue, Lombard, Illinois (said location being legally described on Exhibit "1" attached hereto and made part hereof – hereinafter referred to as the "Subject Property"). The Village and the Applicant are sometimes referred to herein collectively as the "Parties."

WITNESSETH

WHEREAS, the Village, pursuant to Sections 36.30 through 36.36 of the Lombard Village Code, has established a Downtown Improvement and Renovation Grant Program (hereinafter referred to as the "Program") and, as such, will provide grants to qualified business owners and property owners in the Eligible TIF Districts (as said term is defined in Section 36.31 of the Lombard Village Code) for exterior renovations; and

WHEREAS, the Program compliments and supports the Village's plans to maintain a quality Central Business District; and

WHEREAS, exterior renovations are desirable within the Central Business District and contribute to an economically strong Central Business District; a commercial area where the image, appearance, and environment encourage the attraction of shoppers; and

WHEREAS, the Applicant wish to participate in this Program for proposed exterior renovations to be located at 16 South Park Avenue, Lombard, Illinois; with said exterior renovations being more specifically described in Exhibit "2" attached hereto and made part hereof (hereinafter referred to as the "Project");

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt of which is hereby acknowledged by the Parties hereto, the Parties agree as follows:

SECTION 1: The Village shall provide the Applicant with a grant under the Program in an amount not to exceed fifty thousand dollars (\$50,000), (hereinafter referred to as the "Grant") for the proposed façade enhancements.

Such Grant shall be available to the Applicant upon the authorization of the Village's Director of Community Development, and after the Applicant has constructed the Project, and complied with the provisions of this Agreement and Sections 36.30 through 36.36 of the Lombard Village Code, as well as paid for the Project. The maximum amount

of the Grant, as set forth above, is based upon the Applicant expending no less than one hundred thousand and 00/100 dollars (\$100,000) on the proposed façade modifications. In the event that the Applicant's expenditures for the Project are less, the Grant shall be reduced such that the maximum amount of the Grant shall not exceed fifty percent (50%) of the amount expended by the Applicant in relation to the Project.

1. Permits must be applied for and received for all work to be performed. Before any funds are released, the applicant must receive final inspection approvals from the Village.
2. Prior to the start of any applicable construction activity in which the applicant would be seeking grant funding, the applicant shall provide the Village with final contractor cost estimates for the project. The Village shall review the actual project quotes for reasonableness and completeness. If the Village deems the quotes to be acceptable the Village will provide the applicant with a Notice to Proceed letter. If they are not deemed to be reasonable in the Village's sole discretion, the applicant can withdraw specific components of the grant from the project or seek additional quotes that are deemed by the Village to be reasonable.
3. Grant applicable work shall be completed within one year from the date of approval by the ECDC.
4. Before the grant can be paid out, the applicant shall submit a final receipt (showing the project is paid in full), waivers of lien from contractors, and an IRS W-9 form.
5. After the grant funds are paid, the applicant shall display the Village window sign acknowledging they received a grant.

SECTION 3: Upon completion of the Project, the Applicant shall maintain the Subject Property and the business located thereon in accordance with all applicable federal, state and local laws, rules and regulations.

SECTION 4: The Applicant hereby consent to the recording of this Agreement to serve as notice to future purchasers, assigns, estate representatives, mortgagees, and all other interested persons of the conditions outlined in this Agreement.

The Community Development Department retains a copy of the submittal to the Economic and Community Development Committee. This submittal includes contractor's quotes and a description of the work to be completed. As set forth in the attached building plans, The Applicant consists of:

1. First floor exterior banding/moulding typical of exterior business signage found in Ireland.
2. Green Exterior Cladding to be placed on the east and south exterior elevations.
3. Faux Windows along the south building exterior to break up the building mass.
4. Bar rail moulding and ledge which is intended to be an architectural feature as opposed to a bar railing, given that the abutting area is a part of the public right-of-way.
5. The exterior east elevation along Park Avenue will be significantly modified, with the smaller glass windows being removed, the exterior masonry wall will be reduced so that new and larger exterior windows will be added. The proposed windows, which are intended to be removable, and with an air curtain to meet DuPage County Health Department requirements.
6. They will be removing the existing awning and incorporating wall signage as depicted on the plans. The Sign Ordinance does not provide for signs to be painted directly on the wall, so they will be using metal or wood sign letters affixed to the building with gooseneck lighting. The concept signage as depicted should meet size requirements.
7. The projecting "Old Style" sign is slated to be removed.

The estimated façade enhancement component is \$139,375 and is grant eligible up to \$50,000 (i.e., the lesser of 50% of the overall project costs, or \$50,000).
