Request for Policy Deviation - Backyard Drainage Grant

Given the fact that the work will focus primarily benefiting a single property and that the cost estimate for the work would account for 1/2 of the Village's annual budget for the Backyard Drainage Grant Program, staff recommends that the request for a deviation to the Village Board Policy be denied by PW/ECC. The Village has consistently applied the standards established by the Village Board Policy and the requested action could set a precedent that would undermine the goals and objectives of the Village Board Policy.

Sidewalk Expansion Request - 600 Block of S. Edson

Given the lack of support by the impacted properties, staff recommends that the Village not proceed with the sidewalk expansion at this time in the 600 block of S. Edson Ave.
