Subject: SUB 18-01: 400 E. St. Charles (Oakview Estates)

Dear President and Trustees:

Your Plan Commission transmits for your consideration its recommendation regarding the above-referenced petition. The petitioner, Rock Solid Development, is requesting approval of a one-lot major plat of resubdivision for a tract of land located at 400 E. St. Charles Road.

Chairperson Ryan requested that the petitioner proceed with the petition.

Eric Carlson, with ECA Architects, addressed the Commission on behalf of the petitioner. Mr. Carlson said the plat of resubdivision is being submitted for approval in order to fulfill a condition of approval on a previous petitione (PC 17-01). He noted that the petitioner has deeded a small piece of property to the neighboring property owner, as discussed in the 2017 petition, and is now ready to record a plat of resubdivision.

Chairperson Ryan asked if any person would like to speak in favor or against this petition, or for public comment. Hearing none, Chairperson Ryan asked for the staff report.

Ms. Papke presented the staff report, which was submitted to the public record in its entirety. The petitioner received approval from the Village in 2017 to develop ten townhomes on the subject property. At that time, the developer intended to deed a small piece of the subject property to the adjacent condo association. The Village approved the 2017 petition with a condition that the developer record a major plat of subdivision to establish the remainder of the property as a lot of record. SUB 18-01 will fulfill this condition.

The proposed lot meets minimum lot area and lot width standards in the underlying zoning district. Staff recommended approval.

Chairperson Ryan opened the meeting for questions or comments among the Commissioners.

Commissioner Sweetser made a motion to approve SUB 18-01. The motion was seconded by Commissioner Flint. After due consideration of the petition and the testimony presented, the Plan Commission found that the Plat of Resubdivision complies with the Zoning Ordinance and therefore, the Plan Commission, by a roll call vote of 4-0, recommend to the Corporate Authorities, approval of SUB 18-01.

Respectfully,

VILLAGE OF LOMBARD

Donald Ryan, Chairperson Lombard Plan Commission
