SUBJECT: Community Promotion & Tourism Committee Recommendation
Stanford's Battery Civil War Reenactment

The following is a recommendation from the Community Promotion & Tourism Committee for funding through the Local Tourism Grant Program for Stanford's Battery in an amount not to exceed \$6,125 for the 2019 Civil War Reenactment. The reenactment is scheduled to take place July 20 thru July 22, 2019.

Grant Request: \$8,600

Stanford's Battery has requested a grant in the amount of \$8,500 to be used towards the administration of the 2019 Civil War Reenactment. This is the 9th year for this event. In previous years, the grant requestor and host agency had been the Lombard Historical Society. For 2019, the Lombard Historical Society has opted not to participate in the event and Stanford's Battery, which has been involved in the event from its inception, has stepped forward to make the grant request for the event.

The grant request and event budget are attached for your review.

RECOMMENDATION:

The Community Promotion & Tourism Committee recommended a grant in an amount up to \$6,125 to Stanford's Battery to be used towards the 2019 Civil War Reenactment. The grant amount recommended is less than the full amount requested by the grant applicant but reflects 50% of the anticipated costs of the event to Stanford's Battery (total expenses exclusive of in-kind donations).

Please place this item on the consent agenda of the April 18, 2019, agenda of the Board of Trustees. If you have any questions, please feel free to contact me. Thank you.

The event started as a fall event that commemorated the 150th anniversary of the Civil War and highlighted Lombard's contribution through Colonel Benjamin Sweet. Col. Sweet lived in Babcock's Grove and was the commander of Camp Douglas, a confederate prisoner of war camp located in Chicago. This Civil War reenactment brings visitors and reenactors from many surrounding states. The event includes a Friday night trivia in the park, 4 battles throughout the weekend, living history interpreters, and a ball.

ORGANIZATION

Number of years that the organization has been in existence:	24
Number of years that the project or event has been in existence:	8
Number of years the project has been supported by Village of Lombard funds:	7
How many years does the organization anticipate it will request grant funding?	2+

1) Describe the organization (include brief history, mission, and ability to carry out this project):

Stanford's Battery inc. is a civil war reenacting organization. We have been educating the public for over 20 years with living histories and reenactments and school presentations. Also we have gained 501 c 3 status over five years ago. Along with our other civil war reenactment we run, we have over 10 years of event organization experience.

The goal of Stanford's battery is to re-create history in a fun and dynamic way. This event brings history alive and reaches a larger audience than we otherwise would be able to. Any proceeds gained from the event are used to enhance Stanford's battery's ability to bring history alive for the public.

3) What is the organization's plan to make the project self-sustaining?

With sponsorship support we hope to gain more independence. With that being said, we do believe this is the perfect event to bring both tourism and hotel stays.

PROJECT DESCRIPTION

Have you requested grant funding in the past?

☒ Yes ☐ No

Is the event open to the general public?

1) Provide a full detailed description of the proposed project or event.

The event will begin on Friday night the 26th of July. The re-enactors will arrive around 4pm to register and set-up. We plan on having a trivia in the park on Friday night. Saturday, the day begins at 10am with the confederate and union camps opening to the public. The Civil war hospital, embalmer, live music, food vendors and sutlers will also open. At 11:30 am there will be a small skirmish and a large battle (with pyrotechnics) happens at 2:30pm. President Lincoln will join us again this year as well as some new hands on activities. Saturday night will be a dance for the reenactors and general public. Sunday will be generally the same schedule with the addition of dance lessons for the public in the afternoon.

2) If your application is accepted, how will the tourism grant funds be used?

The grant funds will be used to cover entertainment, supplies, logistics and advertisements.

3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

We will also be advertising at area Civil War events throughout Illinois and surrounding states. We will run newspaper ads in Lombard and surrounding counties.

LOCATION

Provide the location of the event or project. If a location has not been secured, list the venue(s) being proposed or considered.

Four Seasons Park, Lombard, IL
Main Street and 16th.

MILESTONES AND TIMETABLES

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone.

Planning has already begun. The Park District has already been contacted for formal permission. Sponsorship meetings will happen in January – March. Entertainment will be secured in January and February and registration forms will also go out. Food vendors will be contacted by March. District 44 will be contacted for the use of Westlake school and parking lot.

IMPACT

- 1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard.

Many of the reenactors and vendors are from out of state. Many reenactors camp in the park, but some choose to stay in hotels. Last year local reenactors booked at least 12 rooms. Because of the inclement weather which was a 50% increase over 2015. The participants come from Iowa, Indiana, Wisconsin, Kentucky, Tennessee, and Virginia.

- 2) Please describe the economic benefit to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience?

Besides local hotel rooms, we will ask local food establishments to sell food at the event. The reenactors also shop locally for supplies. The participants also eat at local restaurants for some of their meals. We advertise outside of the local markets.

- 3) Who is the target audience for your event or project? What is your anticipated attendance?

This is a family friendly event and has a broad audience of anyone who enjoys history or festivals. We anticipate over 3000 people over the 3 days.

- 4) Please identify and detail the cost of any Village of Lombard services anticipated as part of the event (e.g., Police, Public Works, etc.) and whether such costs will be reimbursed or funded under this grant. Please describe any collaborative arrangements developed with other organizations to fund or otherwise implement the project (include in-kind donations).

There are no anticipated costs for the Village of Lombard Police or Public Works for this event. Stanford's battery works closely with the Lombard Park District. Local businesses such as The Care of Trees and Waste Management have donated in the past and we will be looking for those donations again. Stanford's Mississippi Battery, a local reenacting unit, donates hundreds of hours of service as well as supplying a landscaper with ground restoration. They also supply the technical expertise for pyrotechnics and battle planning. Stanford's also brings three cannons, supplies setup and the entire cleanup for the event. The VFW will be asked to manage traffic and parking for the event again this year.

- 5) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces).

Our marketing plan includes both local and regional marketing. We will work local with banners for the village. We will have a contest for school children to find civil war cut-outs around the village. We will be advertising throughout Illinois. We will also create a banner that will go to many events outside of the local market, including, Indiana, Wisconsin, Rockford, IL. The banner will also go locally to Bartlett, Naperville, and Lake County.

TO: Lombard Park District
FROM: Stanfords Battery NFP
DATE: 10 January 2019
IN REGARDES TO: Request for use of four seasons park to run civil war reenactment in July 2019

Overview:

Our mission statement is to promote the History of the American civil war. Stanford's Battery has co-hosted this event with the Lombard Historical Society since it started 8 years ago. As the Lombard Historical Society no longer wishes to run this reenactment. we (Stanford's battery) would like to continue to run this with the Park District. We would like to again have this reenactment at four seasons park.

The event has been well received. It has been funded by sponsorships, donations, and a grant from the village. We are seeking the grant this year and Stanford's battery has already applied for the grant.

This would be a weekend long event. We will have union and confederate reenactors. It will feature living history demonstrations with a skirmish's each day.

REQUESTS:

On behalf of Stanford's Battery, we are requesting the use of Four Seasons Park Friday July 26, through Sunday July 28, 2019. We are requesting permission form your board for the following:

1. Overnight camping in the park for the reenactors in period appropriate tents
2. Open firepits at the camp sites. We hope to again get fire wood from the park district and donations as we have in the past. All fires will be extinguished at the end of the event and grounds repaired.
3. To allow to loosely gate off the event and rope off the battlefield. This will occur on the west side of the park west of the pond.
4. Access to bathrooms overnight and bathroom outside water supply (silcock)
5. Use of civil war era replica firearms and cannons that fire black powder, producing noise but no projectiles.
6. Approval of cannon fire during the reenactment and limited other times as demonstrations Saturday and Sunday. We would like to do two skirmishes at 11:30am and 2:30 pm each day. In the past Stanford's battery has gone door to door with flyers to notify the residents near the park.
7. To allow for four mounted horses in the park.
8. Permission for two period boat to use on the pond in the park and for the boats to travel from one side to the other though out the weekend. All people on the boat will have period looking floatation devices.
9. Permission to close the parking lot on the west side of the park for event setup and take down and for food vendors. Use of other park parking lots for visitor parking. We will again be asking Westlake school for the use of there parking lot for reenactor parking. We also would need to briefly drive on the park lawn for unloading and loading Friday and Sunday.

10. Place temporary signs on for seasons park and battlefield props Thursday evening July 25, 2019.
11. Use of the log cabin for onsite storage of costumes and materials
12. Use of two golf carts for use by Stanford's battery and park staff to navigate the park during the event, and to assist visitors with special needs.
13. Use of the park district tent.
14. Get extra porta johns for the event placed thru out the park and hand wash stations. At least four including one handicapped and two wash stations.
15. Use of the block party wagon
16. Request advertising assistance from the park district
17. Access to use Park district maintenance staff as we have in the past (Chad)
18. "activity for gain" approval for:
 - a. Vendors to sell both food and civil war themed souvenirs to participants and the viewing public
 - b. A fully licensed food provider for the event. The vendor will adhere to any and all requirements by the health department. we are soliciting food vendors again this year.
 - c. donation jars for the event to cover the costs.

We are fully aware that we will need to fill proper permits and have required insurance. We would be happy to answer any other questions or concerns you may have.
